Dangerous Love Ray Norman,2015-12-01 Ray Norman spent most of his life living in far flung corners of the globe working on long term development projects and living out his calling as a Christian professional By the time he arrived in the Islamic Republic of Mauritania around the turn of the millennium he was veteran of life as an expat at home in countries and cultures not his own But in 2001 the world was about to change and so was Ray s life In the aftermath of 9 11 a time when tensions between Muslim and Western culture were peaking Ray and his daughter Hannah made the short drive from their home to the Mauritanian beach But instead of spending the afternoon enjoying the waves and the water father and daughter found themselves hurtling back to the city each with a bullet hole pumping blood into the floorboards of their jeep *Dangerous Love* is an account of the Normans brush with violent extremism and of the family s unexpected return to Mauritania in the face of terrifying risks This is the story of a call that could not be denied and of a family s refusal to give up on love

Dangerous Love Chad Ford,2020-06-23 Chad Ford reminds us that humanity lies within all of us and although conflict is everywhere in today s world we have the tools we need to overcome obstacles and to thrive This is a fantastic timely book that I highly recommend Steve Kerr Head Coach Golden State Warriors Knowing how to transform conflict is critical in both our personal and professional lives Yet by and large we are terrible at it The reason says longtime mediator Chad Ford is fear When conflict comes our instincts are to run or fight To transform conflict Ford says we need to turn toward the people we are in conflict with put down our physical and emotional weapons and really love them with the kind of love that leads us to treat others as fellow human beings not as objects in our way We have to open ourselves up with no guarantee that anyone on the other side will do the same While this can feel even more dangerous than conflict itself it allows us to see the humanity of others so clearly that their needs and desires matter to us as much as our own Ford shows dangerous love in action through examples ranging from his work in the Middle East to a deeply moving story about reconciling with his father He explains why we disconnect from people at the very time we need to be most connected and the predictable patterns of justification and escalation that ensue Most

importantly he gives us a path to practice dangerous love in the conflicts that matter most to us *A Dangerous Love*
