Silver Fox's Secret Baby: An Age Gap, Best Friend's Dad Romance Ajme Williams, My boss stabbed my heart when he shipped me across country to fix a mistake we made. He slept with me knowing that I was his daughter's best friend. That jerk has no idea I've kept a secret from him for years. He doesn't know there's a little boy whose eyes look just like his. If only my disappearance was permanent he would remain a secret. But I'm back in New York. And every breath I take reminds me of the time Henry pinned me against the wall and got me pregnant. I must make sure that never happens again. Especially now that I'm in a crisis and he's the only one that can help me. The guilt eats at me every time he comes close. But this silver fox will soon bear the consequences he hoped to escape all those years ago. Coming face to face with his own flesh and blood would lead to a decision that might break not two but three hearts. SILVER FOX'S SECRET BABY is a full length standalone spicy age gap romance complete with a secret baby and BBW's dad's best friend. Who doesn't love a silver fox? Get your dose of possessive boss romance with this sensual romance.

To the Arctic! Jeannette Mirsky, 1970 Who Reached the North Pole. First. A recent article in the New York Times February 17 1997 presented new evidence from the journals of Admiral Robert E. Peary and Dr. Frederick A. Cook that sheds light on this long argued debate. Questioning whether the journal entries are truthful new theories indicate that neither explorer was first despite their individual claims. To the Arctic contributes valuable information to this debate in its lively narrative of Arctic exploration from the time of the ancient Greeks to the mid 1940s. Revealing stories of the many men who attempted to map the lands or search for means to live there.
