The Day Of The Carpetbagger Republican Reconstruction In Mississippi

William C. Harris

The Day Of The Carpetbagger Republican Reconstruction In Mississippi:

The Day of the Carpetbagger William C. Harris, 1979 **The Facts of Reconstruction** Eric Anderson, Alfred A. Moss, Jr., 1991-05-01 Thirty years after the publication of John Hope Franklin's influential interpretative essay *Reconstruction After the Civil War* ten distinguished scholars have contributed to a new appraisal of Reconstruction scholarship Recognizing Professor Franklin's major contributions to the study of the Reconstruction era their work of analysis and review has been dedicated to him Although most of the contributors studied with John Hope Franklin *The Facts of Reconstruction* is not a festschrift at least not the conventional sense The book does not offer a comprehensive assessment of Franklin's remarkably wide ranging work in southern and Afro American history but instead engages his influential interpretation of Reconstruction The essays in *The Facts of Reconstruction* focus upon questions raised in *Reconstruction After the Civil War* Was southern white intransigence the decisive influence in Presidential Reconstruction What as the role of violence in southern redemption How successful were the educational experiments of the Reconstruction era Why did southern Republicans fail to build an effective coalition capable of surviving the pressure of racism In addition several essays discuss questions not directly addressed in Franklin's book since his pathbreaking work indirectly stimulated study in a variety of new areas For example contributors to *The Facts of Reconstruction* examine the ante bellum origins of Reconstruction evaluate the development of racial segregation during the late nineteenth century analyze the political and legal ideas behind the Reconstruction debates and study the prospering minority among blacks Representing a variety of perspectives the authors have sought to follow John Hope Franklin's admonition that Reconstruction should not be used as a mirror of ourselves If they have succeeded this book in honor of a profound scholar and inspiring teacher will provoke new discussion about the facts of Reconstruction

Multiparty Politics in Mississippi, 1877-1902 Stephen Edward Cresswell, 1995 **A Legal History of Mississippi** Joseph A. Ranney, 2019-04-23 In *A Legal History of Mississippi Race Class and the Struggle for Opportunity* legal scholar Joseph A. Ranney surveys the evolution of Mississippi's legal system and analyzes the ways in which that system has changed during the state's first two hundred years Through close research qualitative analysis published court decisions statutes and law review articles along with unusual secondary sources including nineteenth century political and legal journals and journals of state constitutional conventions Ranney indicates how Mississippi law has both shaped and reflected the state's character and to a certain extent how Mississippi's legal evolution compares with that of other states Ranney examines the interaction of Mississippi law and society during key periods of change including the colonial and territorial eras and the early years of statehood when the legal foundations were laid the evolution of slavery and slave law in Mississippi the state's antebellum role as a leader of Jacksonian legal reform the unfolding of the response to emancipation and wartime devastation during Reconstruction and the early Jim Crow era Mississippi's legal evolution during the Progressive Era and its legal response to the crisis of the Great Depression and the legal response to the civil rights revolution of the mid twentieth

century and the cultural revolutions of the late twentieth century Histories of the law in other states are starting to appear but there is none for Mississippi Ranney fills that gap to help us better understand the state as it enters its third century

The Percys of Mississippi Lewis Baker,1999-03-01 Set in the twilight years of southern aristocracy The Percys of Mississippi is a biography of a family in whose bloodline ran both a strong commitment to public service and an equally strong but more private dedication to literature Following four generations of Percy family history Lewis Baker chronicles the lives and public careers of Colonel William Alexander Percy a planter and lawyer his son LeRoy a lawyer and United States Senator LeRoy s son Will a poet and lawyer and Will s nephew and adopted son the novelist Walker Percy Known as the gray eagle of the delta for his piercing eyes and silver hair Colonel Percy served as a Confederate officer in both the eastern and western campaigns of the Civil War He returned home to practice law and manage the family s property but he was soon drawn into the arena of state politics where he fought vigorously to strengthen the Mississippi River levee system and to protect his district from the perils of Reconstruction With Colonel Percy s death in 1888 LeRoy Percy inherited his father s law practice and his mantle of leadership in the community LeRoy used his power as a United States Senator to continue his father s long quest for an adequate levee system struggled to loosen the Ku Klux Klan s grip of fear on the delta and campaigned tirelessly to discredit the divisive creed of the state s rising demagogue politicians In the election of 1911 LeRoy Percy was defeated in his bid to be returned to the Senate losing to the flamboyant demagogue James Kimble Vardaman the White Chief It was a defeat echoed across the South throughout the dawning years of the twentieth century as poorer whites rejected the moderate counsel of the planter class their traditional leaders and embraced the demagogues fiery gospel of resentment It was this troubling altered South that LeRoy Percy bequeathed to his son William Alexander Will Percy fought in World War I taught for a time and stood at his father s side throughout many of the battles to safeguard the delta from extremism But Will s true calling was as a poet and his lasting contribution to the delta would be in the form of a memorial to its past his memoir *Lanterns on the Levee* During my day he wrote Will Percy not long before his death I have witnessed the disintegration of that moral cohesion of the South which had given it its strength and its sons their singleness of purpose and simplicity It would be left to Walker Percy to fully confront this modern disintegrated South to seek in such works as *The Moviegoer* *The Last Gentleman* and *The Second Coming* the place of the Percy family s values in a world that has little use for aristocrats

Republican Party Politics and the American South, 1865-1968 Boris Heersink,Jeffery A.

Jenkins,2020-03-19 Traces how the Republican Party in the South after Reconstruction transformed from a biracial organization to a mostly all white one

The Parchman Ordeal G. Mark LaFrancis,Robert Morgan,Darrell

White,2014-03-25 An account of the civil rights march that ended in the unlawful incarceration of African American protestors and the basis for the 2017 documentary In October 1965 nearly 800 young people attempted to march from their churches in Natchez to protest segregation discrimination and mistreatment by white leaders and elements of the Ku Klux

Klan As they exited the churches local authorities forced the would be marchers onto buses and charged them with parading without a permit a local ordinance later ruled unconstitutional For approximately 150 of these young men and women this was only the beginning They were taken to the Mississippi State Penitentiary in Parchman where prison authorities subjected them to days of abuse humiliation and punishment under horrific conditions Most were African Americans in their teens and early twenties Authors G Mark LaFrancis Robert Morgan and Darrell White reveal the injustice of this overlooked dramatic episode in civil rights history White and Galen Mark LaFrancis are in the process of filming a documentary to shed light on the Parchman Ordeal which along with other Natchez stories like the 1967 Ku Klux Klan slaying of Wharlest Jackson has flown below the nation s radar The Root Could help shed more light on the incident and its place in the nation s civil rights history The Natchez Democrat

Mormons and Cowboys, Moonshiners and Klansman Stephen Cresswell,2002-06-28 This study uses a case study approach to examine the adventures of federal prosecutors and marshals dealing with Reconstruction in Mississippi Mormon polygamy in Utah moonshining in Tennessee and the frontier lawlessness of Arizona The analysis encompasses the larger questions of the evolution of the American criminal justice system the workings of the 19th century bureaucracy and conflicts among the levels of government Annotation copyrighted by Book News Inc Portland OR

The Hardest Deal of All Charles C. Bolton,2005 Race has shaped public education in the Magnolia State from Reconstruction through the Carter Administration For *The Hardest Deal of All* The Battle Over School Integration in Mississippi 1870-1980 Charles C Bolton mines newspaper accounts interviews journals archival records legal and financial documents and other sources to uncover the complex story of one of Mississippi s most significant and vexing issues This history closely examines specific events the aftermath of the Brown v Board of Education decision the 1966 protests and counter demonstrations in Grenada and the efforts of particular organizations and carefully considers the broader picture Despite a separate but equal doctrine established in the late nineteenth century the state s racially divided school systems quickly developed vast differences in terms of financing academic resources teacher salaries and quality of education As one of the nation s poorest states Mississippi could not afford to finance one school system adequately much less two For much of the twentieth century whites fought hard to preserve the dual school system in which the maintenance of one race schools became the most important measure of educational quality Blacks fought equally hard to end segregated schooling realizing that their schools would remain underfunded and understaffed as long as they were not integrated Charles C Bolton is professor and chair of history and co director of the Center for Oral History and Cultural Heritage at the University of Southern Mississippi in Hattiesburg He is the coauthor of Mississippi An Illustrated History and coeditor of The Confessions of Edward Isham A Poor White Life of the Old South Bolton s work has also appeared in the Journal of Southern History Journal of Mississippi History and Mississippi Folklife

The Black Experience in Natchez, 1720-1880 Ronald L. F. Davis,1993
