the prison like St Louis House of Refuge where more than 80 percent of the resident children were boys and Father Dunne's News Boys Home and Protectorate which stressed education and training for more than a century after its founding She charts the growth of Skid Row and details how historical events such as industrialization economic depression and wars affected this vulnerable urban population Most of these boys grew up and lived decent unheralded lives but that doesn't mean that their childhood experiences left them unscathed Their lives offer a compelling glimpse into old St Louis while reinforcing the idea that society has an obligation to create cities that will nurture and not endanger the young
