The Deadly Amber Chase:

The Deadly Amber Chase Howard Hoyt Hilton, 2004-04-01 In World War II as Germany started its siege of Leningrad the Russians safeguarded many precious works of art there by moving them by rail to caves deep in the Urals Despite this the Nazis were able to commandeer truckloads of valuable artworks However since the war the most valuable works of all the twelve fabled mosaic Amber Panels from Catherine Palace have never been found Whether this extraordinarily large treasure was removed and hidden by the Russians or was confiscated by the Nazis and transported to Germany is the intriguing mystery which draws a French couple into mortal conflict with a pair of German treasure hunters already seeking the prize The rivalry to find the amber panels escalates into a life or death struggle as the headlong chase sweeps from the frigid shores of the Baltic to labyrinthine salt mines in the Austrian Alps *The Silent Film Killer* Kirsten Griffith, 2024-11-06 1927 Hollywood Where flickering shadows hide sinister secrets The silent film era is gasping its last breath choked by the advent of sound But a different kind of silence has fallen over Tinseltown a silence punctuated by screams A killer stalks the backlots and crumbling nickelodeons staging macabre tributes to the very art form he seems to worship His victims forgotten stars clinging to the fringes of a bygone age are posed in chilling recreations of iconic scenes each death a grotesque parody of cinematic history Detective Bryce Bush a man hardened by the city's underbelly finds himself thrust into this chilling tableau Aided by the ambitious and sharp-witted reporter Amber Watson whose fascination with the detective rivals her hunger for a scoop Bryce must navigate the opulent palaces and shadowy speakeasies of a city on edge Each crime scene meticulously crafted with a dialogue card bearing a cryptic message offers a new clue and a fresh layer of fear Their investigation leads them to a clandestine group known as The Silents former film professionals bound by their shared nostalgia for the silent era and their simmering resentment toward the talkies Hidden within the decaying grandeur of the abandoned Majestic Theatre they plot their revenge against the industry that discarded them Is the killer one of their own their murders a twisted protest against the relentless march of progress As Bryce and Amber delve deeper they uncover a hidden narrative a story of betrayal and revenge that reaches back to the earliest days of Hollywood But their pursuit of the truth comes at a dangerous price Amber's relentless ambition puts her in the killer's crosshairs transforming her from observer to victim her body posed in a chilling homage to her favorite silent film Now Bryce must race against time deciphering the final clues before the curtain falls on another life The answer lies buried within the coded messages whispers from a forgotten past leading him to a final confrontation in the heart of the dilapidated Majestic Theatre Here amidst flickering shadows and the ghosts of silent stars the killer's identity and motive will be revealed in a shocking climax that threatens to consume them all **One Fatal Mistake** Tom Hunt, 2019-02-05 The author of *Killer Choice* a thriller full of shocks and twists you won't see coming Lee Child delivers another nail-biting novel about a hit and run and a lie that goes horribly wrong Her son accidentally kills a man They cover it up Then everything goes wrong When eighteen-year-old Joshua
