Live Fast, Die Young Lawrence Frascella, Al Weisel, 2005-10-04 The complete story behind the groundbreaking film *Rebel Without a Cause* is vividly revealed in this fascinating book as provocative as the film itself The revolutionary film *Rebel Without a Cause* has had a profound impact on both moviemaking and youth culture since its 1955 release virtually giving birth to our concept of the American teenager And the making of the movie was just as explosive for those involved Against a backdrop of the Atomic Age and an old Hollywood studio system on the verge of collapse four of Hollywood's most passionate artists had a cataclysmic and immensely influential meeting James Dean Natalie Wood Sal Mineo and director Nicholas Ray were each at a crucial point in their careers The young actors were grappling with their fame burgeoning sexuality and increasingly reckless behavior and their on and off set relationships ignited as they engaged in Ray's vision of physical melees and psychosexual seductions of startling intensity Through interviews with the surviving members of the cast and crew and firsthand access to both personal and studio archives the authors reveal *Rebel's* true drama the director's affair with sixteen year old Wood his tempestuous spiritual marriage with Dean and his role in awakening the latent sexuality of Mineo who would become the first gay teenager to appear on film This searing account of the upheaval the four artists experienced in the wake of *Rebel* is complete with thirty photographs including ten never before seen photos by famed Dean photographer Dennis Stock

The Dean Died Over Winter Break Christopher T Lansdown, 2018-11-06 Winter Break is normally a peaceful time at a university so it was quite a shock when Dean Floden was discovered Monday morning murdered at his desk the window wide open behind him A blizzard sent everyone home on Friday afternoon so there's no time of death and no witnesses to see who came or went anyway The police have little to go on and are making slow progress Worried about an ongoing investigation when the students return for the spring semester the president of the university calls in the Franciscan Brothers of Investigation Brother Thomas still with the intensity of youth despite long experience uncovering the sins of the world is sent along with his apprentice Brother Francis whose jovial smile and mild manner belie his ever growing knowledge of fallen humanity Awaiting them on their first day are a jealous mistress a clever drug dealer a disappointed researcher and a mortally insulted professor Did one of them do the other three a big favor Or was it someone else entirely With everyone at the university looking out for their own interests can Brother Thomas's sharp eyes and Brother Francis insight find the truth behind the academic facade
