The Decay Of The Angel His The Sea Of Fertility 4

KJ Lindholm-Leary

The Decay Of The Angel His The Sea Of Fertility 4:

The Decay of the Angel Yukio Mishima, 2013-04-09 The final installment of the masterful tetralogy *The Sea of Fertility* finds Shigekuni Honda an elderly wealthy man in the 1960s adopting a teenage orphan whom he is convinced is the reincarnation of his childhood friend One of the best final scenes in the history of the novel David Mitchell *The New York Times Book Review* Honda now an aged and wealthy man once more encounters a person he believes to be a reincarnation of his friend Kiyoaki Matsugae this time restored to life as a teenage orphan T ru Adopting the boy as his heir Honda quickly finds that T ru is a force to be reckoned with The final novel of this celebrated tetralogy weaves together the dominant themes of the previous three novels in the series the decay of Japan s courtly tradition the essence and value of Buddhist philosophy and aesthetics and underlying all Mishima s apocalyptic vision of the modern era **A Partial Enlightenment**

Avram Alpert, 2021-04-06 In many ways Buddhism has become the global religion of the modern world For its contemporary followers the ideal of enlightenment promises inner peace and worldly harmony And whereas other philosophies feel abstract and disembodied Buddhism offers meditation as a means to realize this ideal If we could all be as enlightened as Buddhists some imagine we could live in a much better world For some time now however this beatific image of Buddhism has been under attack Scholars and practitioners have criticized it as a Western fantasy that has nothing to do with the actual experiences of Buddhists Avram Alpert combines personal experience and readings of modern novels to offer another way to understand modern Buddhism He argues that it represents a rich resource not for attaining perfection but rather for finding meaning and purpose in a chaotic world Finding unexpected affinities across world literature Rudyard Kipling in colonial India Yukio Mishima in postwar Japan Bessie Head escaping apartheid South Africa as well as in his own experiences living with Tibetan exiles Alpert shows how these stories illuminate a world in which suffering is inevitable and total enlightenment is impossible Yet they also give us access to partial enlightenments powerful insights that become available when we come to terms with imperfection and stop looking for wholeness **A Partial Enlightenment** reveals the moments of personal and social transformation that the inventions of modern Buddhism help make possible **Transcendence and Fulfillment** Benjamin W. Farley, 2016-09-19 Farley s *Transcendence and Fulfillment* captures one s immediate attention especially with his designation of Paul s *Seven Pillars of Wisdom* Readers will find his selection intriguing and illuminating While being faithful to Paul s self understanding and theological views Farley offers a constructive and critical examination of the pillars relevance for Paul s time as well as our own The author blends biblical insight with a range of classical and contemporary philosophical opinion In doing so he draws on Plato and Cicero s wisdom in addition to the critical works of Kierkegaard Heidegger Marcel and Berdyaev Students and professors of Paul s life and theology along with clergy and lay admirers of Paul s views will find Farley s book a useful resource for a provocative yet spiritually rich journey true to Paul s teachings and of enduring relevance *A Drunken Bee* Paul Lewis McBain, 2025-08-31 Sunthorn Phu 1786 1855 is an unlikely figure

through which to understand nineteenth century Buddhism in Siam Despite being described as a drunken writer by the court astrologer after his death he is now the national poet of Thailand Yet the majority of Sunthorn Phu s literary accomplishments including many of the nirat journeying poems translated in this volume are scarcely available in English In A Drunken Bee Paul Lewis McBain argues that the irreverent rebellious and parodic voice of Sunthorn Phu is an invaluable resource for understanding the Buddhism of early Bangkok A wealth of information about the conflicts and contradictions of the religious thought of this period can be found in the ways in which the poet describes his local landscape Following Sunthorn Phu on his journeys readers encounter cities of celebration and rivers of sadness kingly processions railways and unruly pilgrims on their way to the Saraburi Buddha Footprint forests of spirit guardians and life prolonging alchemical materials as well as the semimythical oceans of Buddhist cosmology used to make sense of the new more varied world opening up to Siam in the nineteenth century In this volume McBain employs theories not only from literary studies but also from the interdisciplinary study of landscapes applying an innovative approach to understanding how journeying poems may be used as critical sources for uncovering past ways of thinking with and within place What emerges is one of the most colorful windows into the early modernity of Siam in the nineteenth century The author convincingly showcases how the kingdom was already developing its own nascent individuality irony and skepticism all broached by redefining Buddhist concepts The book offers students and scholars of literature and religion new approaches to the study of journeying poems and how literary texts may be employed in landscape studies as well as how religious affect may be tied with place

Thirst for Love Yukio Mishima,1999-02-22 Full of sexual torment jealousy and impossible to resolve longing this novel from one of the outstanding writers of the world The New York Times presents a riveting portrait of the corrosive power of frustrated desire The protagonist is Etsuko a young widow whose philandering husband died horribly from typhoid After moving into the house of her father in law her misery deepens as she numbly submits to the old man s advances But soon Etsuko falls in love with the young servant Saburo Tormented by his indifference yet invigorated by her anguish she makes one last catastrophic bid for his attentions

Forbidden Colors Yukio Mishima,1999-02-22 From one of Japan s greatest modern writers comes an exquisitely disturbing novel of sexual combat and concealed passion a work that distills beauty longing and loathing into an intoxicating tale One of the outstanding writers of the world The New York Times An aging embittered novelist sets out to avenge himself on the women who have betrayed him He finds the perfect instrument in Yuichi a young man whose beauty makes him irresistible to women but who is just discovering his attraction to other men As Yuichi s mentor presses him into a loveless marriage and a series of equally loveless philanderings his prot g enters the gay underworld of postwar Japan where Yuichi is defenseless as any of the

women he preys upon **After the Banquet** Yukio Mishima,1999-02-22 A portrait of a marriage in which lofty principles clash fatally with appetite and ambition featuring a middle aged restaurant owner who is the biggest and the most profound thing Mishima has done so far in an already distinguished career The New Yorker One of the outstanding writers of the world The New York Times For years Kazu has run her fashionable restaurant with a combination of charm and shrewdness But when the middle aged entrepreneur falls in love with one of her clients an aristocratic retired politician she renounces her business in order to become his wife In time however Kazu decides to resurrect her husband s political career She embarks on a series of compromises and evasions that will force her to choose between her marriage and the demands of her

irrepressible vitality **Tokyo: A Cultural and Literary History** Stephen Mansfield,2023-01-06 From its obscure origins as a fishing village along a marshy estuary Tokyo grew into one of the world s largest and most culturally vibrant metropolises For all its modernity and craving for the new it is a city impregnated with the past In the backstreets of districts that have inspired the setting for science fiction novels are wooden temples fox shrines mouldering steles and statues of Bodhisattvas that evoke a different age The point where time past present and future coexist Tokyo s thirst for the contemporary is moderated by nostalgia for the past As an urban laboratory where the cultures of the East and West are remixed into perceptibly Japanese forms Tokyo embraces sudden transitions constant flux and transformation The courtesans of its pleasure quarters inspired Edo period woodblock artists novelists and poets In a later age its experimental artists feminist writers and Modern Girls of 1920s Ginza both shocked and electrified the capital Stephen Mansfield explores a city rich in diversity tracing its evolution from the founding of its massive stone citadel through rise of a merchant class whose wealth transformed Edo into a home for artists writers and performers In contemporary Tokyo he explores the unique crossbred cultures of taste that make the giant conurbation one of the most exciting and creative cities in the world City of Literature Theatre and Art The print masters Hokusai Hiroshige and Utamaro the Kabuki theatre authors Nagai Kafu Tanizaki Junichiro Mishima Yukio Murukami Haruki foreign writers Angela Carter William Gibson and Donald Richie City of Architecture From the fortifications of Edo Castle great temples and shrines via the western hybrids of the Meiji era to the post modernist skyscrapers giant neon screens and digitalized surfaces of today s city City of Calamities The great fires of the Edo period floods famines and typhoons the 1923 Earthquake coups and rising militarism in the 1930s the fire bombings of the Second World War the 1995 subway gas attack by members of a death cult and the fatalism of residents living on one of the earth s largest fault lines
