The Sayings of the Desert Fathers, 2023-12-15 Give me a word Father visitors to early desert monks asked The responses of these pioneer ascetics were remembered and in the fourth century written down in Coptic Syriac Greek and later Latin Their Sayings were collected in this case in the alphabetical order of the monks and nuns who uttered them and read by generations of Christians as life giving words that would help readers along the path to salvation *The Desert Christian*, 1980 *The Sayings of the Desert Fathers*, 1975 *The sayings of the Desert Fathers*, 1975 *An Introduction to the Desert Fathers* Jason Byassee, 2007-08-15 The desert fathers wanted to get away from a church co opted by empire and a Christian faith grown cold and listless They retreated to the desert to do battle against demons and against their own worst desires They had no intention of being famous yet ironically their Sayings have inspired millions of imitators over the centuries This guide is meant to accompany a reading of the Sayings of the Desert Fathers in hopes that readers with lives quite different than those third and fourth century dwellers of the Egyptian desert might nevertheless come to imitate their lives of poverty chastity and obedience and more importantly that readers might grow more imaginative and passionate in their following of the same Lord **Desert Christians** William Harmless, 2004-06-17 In the fourth century the deserts of Egypt became the nerve center of a radical new movement what we now call monasticism Groups of Christians from illiterate peasants to learned intellectuals moved out to the wastelands beyond the Nile Valley and in the famous words of Saint Athanasius made the desert a city In so doing they captured the imagination of the ancient world They forged techniques of prayer and asceticism of discipleship and spiritual direction that have remained central to Christianity ever since Seeking to map the soul s long journey to God and plot out the subtle vagaries of the human heart they created and inspired texts that became classics of Western spirituality These Desert Christians were also brilliant storytellers some of Christianity s finest This book introduces the literature of early monasticism It examines all the best known works including Athanasius Life of Antony the Lives of Pachomius and the so called Sayings of the Desert Fathers Later chapters focus on two pioneers of monastic theology Evagrius Ponticus the first great theoretician of Christian mysticism and John Cassian who brought Egyptian monasticism to the Latin West Along the way readers are introduced to path breaking discoveries to new texts and recent archeological finds that have revolutionized contemporary scholarship on monastic origins Included are fascinating snippets from papyri and from little known Coptic Syriac and Ethiopic texts Interspersed in each chapter are illustrations maps and diagrams that help readers sort through the key texts and the richly textured world of early monasticism Geared to a wide audience and written in clear jargon free prose Desert Christians offers the most comprehensive and accessible introduction to early monasticism **The Wisdom of the Desert with Nicholas Buxton** Revd Dr Nicholas Buxton, Wise Studies, 2020-02-10 Over four lectures Nicholas introduces us to the lives and sayings of the desert fathers with a particular focus on the fascinating writings of Evagrius of Pontus c 345 399 In doing so he makes the wisdom of the desert relevant to

contemporary spiritual practice The course begins by looking at the origins of Christian monasticism during the third century CE when thousands of men and women renounced the world and withdrew to the deserts of Egypt Syria and Palestine to seek God in a life of solitude and prayer What inspired them to do this What were they trying to achieve In seeking answers to these questions we will examine the lives and sayings of the so called desert fathers with a particular emphasis on the theological writings of Evagrius of Pontus c 345 399 Evagrius was described as being one skilled in the discernment of spirits In his ascetical treatises he elaborates a detailed programme for aspirants to the holy life comprising a foundation of stillness hesychia the cultivation of equanimity apatheia and ultimately unitive knowledge of the divine reality gnosis Particular attention will be given to his psycho spiritual taxonomy of the eight thoughts and the practice of contemplative prayer as expounded in texts such as the Foundations Praktikos Eight Thoughts and On Prayer Session One Monks of the Desert Historical origins of Christian monasticism the story of the temptation of Jesus in the wilderness St Antony the first monk fleeing the world to face the self life in the desert Pachomius and the beginnings of institutional monasticism Session Two The Ascetic Rationale The theology of Origen of Alexandria principles of monastic asceticism the importance of humility and purity of heart Evagrius of Pontus theologian of the desert stages on the path of spiritual progress the cultivation of apatheia equanimity Session Three The Eight Thoughts On the subject of demons the eight categories of obsessive thoughts gluttony lust avarice sadness anger acedia vanity and pride the practice of the discernment of thoughts Session Four On Prayer Types of prayer in the Christian tradition prayer in the Bible and the teachings of Jesus the nature of the mind the notion of pure prayer in Evagrius the legacy of the Desert Fathers kingdom of god is within you meaning apophthegmata patrum founder of western christian monasticism the wisdom of the desert thomas merton monastic Benedict monks definition meaning of the sayings of the holy fathers the apophthegmata sayings of the desert fathers quotes book merton **The Anonymous**

Sayings of the Desert Fathers ,2013-05-02 The Tales and Sayings of the Desert Fathers Apophthegmata Patrum are a key source of evidence for the practice and theory respectively of eremitic monasticism a significant phenomenon within the early history of Christianity The publication of this book finally ensures the availability of all three major collections which constitute the work edited and translated into English Richer in Tales than the Alphabetic collection to which this is an appendix both to be dated c AD 500 the Anonymous collection presented in this volume furnishes almost as much material for the study of the late antique world from which the monk sought to escape as it does for the monastic endeavour itself More material continued to be added well into the seventh century and so the spread and gradual evolution of monasticism are illustrated here over a period of about two and a half centuries **Desert Daughters, Desert Sons** Rachel

Wheeler,2020-11-15 In Desert Daughters Desert Sons professor Rachel Wheeler argues that a new reading of the texts of the Christian desert tradition is needed to present the often anonymous women who inhabit the texts Though these women may have been included by storytellers to provide a foil to the exemplary men in the stories foreground Wheeler demonstrates

how women's persistence in places they were not welcome witnesses to truths about where wisdom may be sought and found In this book Wheeler allows these women's stories to critique the desert impulse that can create a spiritual life devoid of social relationships and responsibility

Late Antique Letter Collections Cristiana Sogno, Bradley K. Storin, Edward J. Watts, 2019-11-19 Bringing together an international team of historians classicists and scholars of religion this volume provides the first comprehensive overview of the extant Greek and Latin letter collections of late antiquity ca 300-600 c.e. Each chapter addresses a major collection of Greek or Latin literary letters introducing the social and textual histories of each collection and examining its assembly publication and transmission Contributions also reveal how collections operated as discrete literary genres with their own conventions and self-presentational agendas This book will fundamentally change how people both read these texts and use letters to reconstruct the social history of the fourth fifth and sixth centuries
