Now the Book's furious power lives inside Harte. If he can't control it, it will rip the world apart to get its revenge, and it will use Esta to do it. To bind the power, Esta and Harte must track down four elemental stones scattered across the continent. But the world outside the city is nothing like they expected. There are Mageus beyond the Brink, not willing to live in the shadows, and the Order isn't alone in its mission to crush them. In St. Louis, the extravagant World's Fair hides the first stone, but an old enemy is out for revenge, and a new enemy is emerging. And back in New York, Viola and Jianyu must defeat a traitor in a city on the verge of chaos. As past and future collide, time is running out to rewrite history, even for a time-traveling thief.

The Devil Raven Steele, 2021-05-25 Our souls are connected. Not even fate can break them. The Devil's Soldier is dead. But he left devastation in his wake. The world has changed. Eve has changed. Demons plague her mind and soul. I try to hang onto her, but she disappears. Becomes someone else. So she can forget. And now I'm on the hunt. But I'm not the only one. The President and the DSRD also want her. But what they don't realize is she is MINE. I will protect her at all costs, even against herself. For she is my soulmate, bound to me by order of the moon and stars. God help anyone who stands in my way. Grab your copy today. OMG. Thank you for an awesome read. I cried, but then happiness came forth. Customer review: This was one of the best stories I've read in a long time. A lot of excitement and adventure. I highly recommend it. The Devils Untold Story Ethan Millan, 2016-12-15 Welcome to a world where blood, lust, power, loyalty, and desires to kill are taken to their limits. Out of the darkness, where that man's lust for power is allowed to exist, the unimaginable emerged. From the forgotten legends of ancient times, they have been called forth into the world once again: devils. From within the shadows, rogue hunters arise, operating for their own reasons, but aim for the same goals. The devils do not walk unchallenged. Terror doesn't flourish without resistance, and a battle for survival erupts. An age that changed from peace to violence and sin, trading blood for blood, humanity may be lost. But from the ashes of destroyed hope, a new legend emerges: a figure harbored by death, respectfully feared by devils and distrusted by humanity. A stolen child who became a devil slayer, and who became a devil, his name is Heartnik. Try to kill me if you can, but ready or not, I'm coming for you.
