and modern oppression which seems obvious to some raises troubling questions for many others Is it possible to find any redemptive meaning in the Nazi genocide Are we adding value to this unforgivable moment in history Liora Gubkin critiques commemorations that violate memory by erasing the value of everyday life that was lost and collapse the diversity of responses both during the Shoah and afterward She recounts oral testimonies from Holocaust survivors cites references to the holiday in popular American culture and analyzes examples of actual haggadot Ultimately Gubkin concludes that it is possible and important to make a space for Holocaust commemoration all the time recognizing that haggadot must be constantly revisited and performed
