**Super Heroes** Richard Reynolds, 1992-01-01 Om tegneseriernes super helte **Super Heroes** Richard Reynolds, 1994 A study of one of popular culture's superstars whose enchanting mystique pervades the modern world The Routledge Companion to Disability and Media Katie Ellis, Gerard Goggin, Beth Haller, Rosemary Curtis, 2019-10-31 An authoritative and indispensable guide to disability and media this thoughtfully curated collection features varied and provocative contributions from distinguished scholars globally alongside next generation research leaders Disability and media has emerged as a dynamic and exciting area of contemporary culture and social life Media especially digital technology play a vital role in disability transformations with widespread implications for global societies and how we understand communications This book addresses this development from representation and audience through technologies innovations and challenges of the field Through the varied and global perspectives of leading researchers writers and practitioners including many authors with lived experience of disability it covers a wide range of traditional emergent and future media forms and formats International in scope and orientation The Routledge Companion to Disability and Media offers students and scholars alike a comprehensive survey of the intersections between disability studies and media studies This book is available as an accessible eBook For more information please visit <https://taylorandfrancis.com> about corporate responsibility accessibility at taylor francis Spring Man Petr Janecek, 2022-10-31 Spring Man A Belief Legend between Folklore and Popular Culture deconstructs the nationalistic myth of Spring Man that was created after the Second World War in visual culture and literature and presents his original form as an ambiguous ghostly denizen of oral culture Petr Janecek analyzes the archetypal character social context and cultural significance of this fascinating phenomenon with the help of dozens of accounts provided by period eyewitnesses oral narratives and other sources At the same time the author illustrates the international origin of the tales in the originally British migratory legend of Spring heeled Jack that reaches back to the second third of the nineteenth century and Janecek also draws parallels between the Czech myth of Spring Man and similar urban phantom narratives popular in the 1910s Russia 1940s United States and Slovakia and 1950s Germany as well as other parts of the world Analyzing the Marvel Universe Douglas Brode, 2024-10-30 Marvel like other media universes is a collection of highly profitable and audience satisfying products that exist not only as individual items of popular culture but coalesce to form a unique and all encompassing identity Within media studies elements of popular culture once dismissed as low brow entertainment are now studied with the seriousness that has always been afforded classics like Shakespeare's plays and ancient myth Indeed DC and Marvel might be thought of as competing myth systems This book is a collection of diverse essays covering all aspects of the Marvel Universe from in print graphic novels to film and television variations Contributors present in depth original and inclusive interpretations of numerous individual elements of Marvel including analysis of key characters themes and aesthetic elements They also offer a vision of the essential meaning of Marvel including aspects that

set it apart from the DC Universe and other media Individual readings apply feminist ethnic and queer theory among others and deal with the lesser known aspects of Marvel s offerings in order to provide the definitive collection on this subject Beginning with an introduction by the editor that provides a complete overview of the Marvel canon this book offers the broadest and most in depth collection on the subject to date New Formalisms and Literary Theory V. Theile,L. Tredennick,2013-04-11 Bringing together scholars who have critically followed New Formalism s journey through time space and learning environment this collection of essays both solidifies and consolidates New Formalism as a burgeoning field of literary criticism and explicates its potential as a varied but viable methodology of contemporary critical theory **The Routledge International Handbook of Jungian Film Studies** Luke Hockley,2019-12-09 Winner of the IAJIS award for best edited book of 2018 The Routledge International Handbook of Jungian Film Studies weaves together the various strands of Jungian film theory revealing a coherent theoretical position underpinning this exciting recent area of research while also exploring and suggesting new directions for further study The book maps the current state of debates within Jungian orientated film studies and sets them within a more expansive academic landscape Taken as a whole the collection shows how different Jungian approaches can inform and interact with a broad range of disciplines including literature digital media studies clinical debates and concerns The book also explores the life of film outside cinema what is sometimes termed post cinema offering a series of articles exploring Jungian approaches to cinema and social media computer games mobile screens and on line communities The Routledge International Handbook of Jungian Film Studies represents an essential resource for students and researchers interested in Jungian approaches to film It will also appeal to those interested in film theory more widely and in the application of Jung s ideas to contemporary and popular culture *The Routledge Companion to Superhero Studies* Lorna Piatti-Farnell,Carl Wilson,2025-10-29 This Companion explores the evolution representation and meaning of superheroes within the broader popular media and culture landscape as connected to both contemporary and historical frameworks The volume proposes itself as a comprehensive resource in the interdisciplinary field of Superhero Studies acknowledging it as its own area of scholarly and cultural interest Superhero Studies brings together perspectives from a number of intersecting disciplines such as comics studies film studies television studies fandom studies game studies and beyond In answer to the evolutionary portrayals of superheroes in our cultures histories and narratives The Routledge Companion of Superhero Studies addresses the development transformation and meaning of these iconic figures by taking a transnational multimedia and interdisciplinary approach to assessing their importance in our evolving representational contexts **Superheroes and Excess** Jamie Brassett,Richard Reynolds,2021-11-29 Finding the superhero genre in need of further investigation from philosophical standpoints that value excess as a creative drive rather than denigrate it as a problem to be resolved this book opens up discussions that highlight different approaches to the creative excess of being as expressed through the genre While superheroes are an everyday culturally dominant phenomena philosophical methods and

investigations have a reputation for lofty superiority Across 13 chapters this book facilitates a collision between the superhero genre and the discipline of philosophy resulting in a voyage of exploration where each illuminates the other The contributions in this book range from new voices to recognized scholars offering superhero studies a set of critical interventions that are unusual conceptually diverse theoretically grounded and varied in practice These chapters consider excessive traits of superheroes against schools of thought that have attempted to conceptualize and understand excess by analysing texts and figures across a variety of mediums such as The Fantastic Four Captain America The Vision Logan Black Panther and Super Hero Girls With its unique approach to the superhero genre this book will be an invaluable read for students and scholars working on comic studies transmedia studies cultural studies popular culture and superhero studies

The Routledge Companion to Gender and Sexuality in Comic Book Studies Frederick Luis Aldama, 2020-08-17 The Routledge Companion to Gender and Sexuality in Comic Book Studies is a comprehensive global and interdisciplinary examination of the essential relationship between Gender Sexuality Comics and Graphic Novels A diverse range of international and interdisciplinary scholars take a closer look at how gender and sexuality have been essential in the evolution of comics and how gender and sexuality in comics demand that we re frame and re view comics history Chapters cover a wide array of intersectional topics including Queer Underground and Alternative comics Feminist Autobiography re drawing disability Latina testimony and re evaluating the critical whiteness and masculinity of superheroes in this first truly global reference text to gender and sexuality in comics Comics have always been an important place for the radical exploration of feminist and non binary sexualities and identities and the growth of non normative comic book traditions as a field of inquiry makes this an essential text for upper level undergraduates postgraduates and researchers studying Comics Studies Women s and Gender Studies Literary Studies and Cultural Studies
