with the flow and get caught up in fashionable intellectual fads Graced with a new introduction by the author Supergrow is an insightful work that is not afraid to tackle difficult subject matter Whether discussing homosexuality racism popular music or child rearing Supergrow is well reasoned perceptive and entertaining As DeMott would hope it will stimulate the imagination Devastating sustained profoundly witty resounding New York Times Book Review I didn't think it possible for a long time to come for any writer to say anything about black and white relations or lack of them that had freshness and pertinence I was wrong Nat Hentoff Village Voice Benjamin DeMott is an essayist novelist and journalist He was professor of English at Amherst College and a consultant and writer for National Educational Television He is the author of The Body's Cage Killer Blues Why Americans Can't Think Straight about Gender and Power and You Don't Say available from Transaction Provided by publisher Supergrow Benjamin DeMott, Arthur Asa Berger, 2003-08-01 Service of the Engine is a common local Chichewa English expression in the Malawian fishing village where the author did her fieldwork It refers to the practice of taking various pills known locally as Ciba in order to prevent and cure diseases associated with sex This study explores the sensitive interface between the use of pharmaceuticals available through an extensive informal distribution system and self treatment of sex related diseases The author examines morally sensitive situations in which men and women opt for Ciba and evaluates its efficacy or effectiveness The discussion not only covers physical and metaphorical aspects of efficacy but also the possible social and moral effects of medication It offers a fresh and empirically grounded perspective on the links between efficacy sex related diseases and moralities Birgitte Bruun graduated from the Institute of Anthropology University of Copenhagen Denmark and is currently working with reproductive health projects for United Nations Population Fund UNFPA in Jakarta Indonesia Gay Artists in Modern American Culture Michael S. Sherry, 2007-09-10 Today it is widely recognized that gay men played a prominent role in defining the culture of mid twentieth century America with such icons as Tennessee Williams Edward Albee Aaron Copland Samuel Barber Montgomery Clift and Rock Hudson defining much of what seemed distinctly American on the stage and screen Even though few gay artists were out their sexuality caused significant anxiety during a time of rampant antihomosexual attitudes Michael Sherry offers a sophisticated analysis of the tension between the nation's simultaneous dependence on and fear of the cultural influence of gay artists Sherry places conspiracy theories about the homintern homosexual international taking control and debasing American culture within the paranoia of the time that included anticommunism anti-Semitism and racism Gay artists he argues helped shape a lyrical often nationalist version of American modernism that served the nation's ambitions to create a cultural empire and win the Cold War Their success made them valuable to the country's cultural empire but also exposed them to rising antigay sentiment voiced even at the highest levels of power for example by President Richard Nixon Only late in the twentieth century Sherry concludes did suspicion slowly give way to an uneasy accommodation of gay artists place in American life

Feast of Excess George Cotkin, 2016 Feast of Excess is an engaging and accessible portrait of The New Sensibility as it

was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment *Camp Fabio Cleto*,1999 The complete guide to camp an anthology of the best writing on its history and current theory in cultural studies and lesbian and gay studies

Cicero A LEGAMUS Transitional Reader Judith Lynn Sebesta, Mark Haynes, 2010-01-01 The Legamus Transitional Readers are innovative texts that form a bridge between the initial study of Latin via basal textbooks and the reading of authentic author texts This series of texts has been developed by a special committee of high school and college teachers to facilitate this challenging transition Cicero A Legamus Transitional Reader introduces students to Cicero's Latin via selections from his Pro Archia Introductory materials include an overview of the life and works of Cicero historical context and bibliography The authors combine special visual features including line alignments based on meaning with the pass through method to make Cicero's sometimes complicated prose more student friendly Appendices on grammar and figures of speech as well as a pull out vocabulary complete the book's student aids After finishing Cicero A Legamus Transitional Reader students will be prepared to undertake a more complete study of Cicero in an upper level Latin literature or college level course Features pre reading materials to help students understand underlying cultural historical and literary concepts review explanations of grammatical and syntactical usage with practice exercises pass through approach that begins with the main statement and adds clauses with each pass thus assisting students in unraveling Cicero's complex sentences first versions of the Latin text with transitional aids lines aligned to facilitate comprehension implied words in parentheses difficult noun adjective pairings in different fonts complete vocabulary and grammatical notes on facing pages post reading materials that encourage appreciation of Cicero's style reflection on what has been read and making connections to the modern world final version of each Latin text without transitional aids but with notes and vocabulary pull out vocabulary of frequently used Latin words four maps and eighteen illustrations that complement the Latin selections and background essays

The Glory and the Dream William Manchester, 2013-11-12 A New York Times bestselling historian's in depth portrait of life in America from the Depression era to the early 1970s Magnificent The New York Times Award winning historian and biographer William Manchester author of The Last Lion an epic three volume biography of Winston Churchill brings us an evocative exploration of the American way of life from 1932 to 1972 Covering almost every facet of American culture during a very diverse and tumultuous period in history Manchester's account is both dramatic and surprisingly intimate with compelling details that could only be known by a dedicated historian who lived through and documented this fascinating time It's an enlightening affecting and highly entertaining journey through four extraordinary decades in the life of America There is no fiction that can compete with good gossipy anecdotal history the inside story of

who said or did what in moments of great tensions or crisis I think you ought to read this history and weep read it and laugh read it and don't repeat it Anatole Broyard Varieties of Scientific Experience Lewis S. Feuer, Lewis S Feuer shows that the gestation of the hypotheses of original minded scientists such as Darwin Einstein or Bohr is in large part a subconscious process Scientists try to project upon the world structural laws that beside fitting the given physical realities will also realize their own emotional longings among alternative worldviews Repeatedly too in examining the standpoints of philosophical figures ranging from Spinoza Descartes Kant and Mill to contemporary figures such as Einstein Lovejoy and Hook Feuer illumines how sociological antipathies project themselves into scientific divergences Feuer delves into the bearing of emotive beliefs such as pacifism socialism anti Semitism upon the formation of concurrent worldviews often fixations of scientific belief held with the same passion in science as in religion
