On "Savitri" Nolini Kanta Gupta, 2001 Comprised of six of the author s essays in English on Sri Aurobindo s epic Savitri this book introduces the reader to the thematic richness and complexity of the poem It also gives an insight into Aswapathy s yoga and why Sri Aurobindo gives it such prominence and points to the unique place Book III has in Sri Aurobindo s vision of the future of man The book also includes a Preface by Dr M V Nadkarni a noted lecturer on Savitri

Savitri. Leggenda e simbolo Aurobindo (sri), 1996 *Crossed Correspondences* Vanessa Guignery, 2016-02-08 While some writers adamantly refuse to allow anyone to read let alone comment upon their literary production until it is published others are willing to submit their manuscripts and work in progress to their peers in the hope of receiving critical judgment that might validate their choices or prompt them to introduce changes Correspondences between writers thus contain treasures of literary analysis when the recipient of a piece annotates it criticises it judges it inciting the sender to justify or defend his her choices to reconsider his her method and to discuss his her aesthetic principles The aim of this collection of essays is to analyse the specificity of letters in which writers comment not only on the production of their correspondent but also on their own artistic approach and their own work while it is still in progress or only just completed but not yet published Examining epistolary exchanges from the sixteenth to the twenty first century between English American and

French authors contributors particularly concentrate on the points of contact between correspondences and literary criticism on the way writers reveal themselves as their peers first critics This process can help both parties delineate more clearly their trains of thoughts and accompany works in their gestation The epistolary genre thus becomes an aesthetic laboratory and a place for literary debates *Mother India* ,2004 *Perspectives of Savitri* ,2000 Study of Savitri poems by Aurobindo Ghose 1872 1950 contributed articles **Bulletin Du Centre International D'Éducation Sri Aurobindo** Sri Aurobindo International Centre of Education (Pondicherry, India),1994 **Social Action Book Review Supplement** ,1987 **The Lives of Sri Aurobindo** Peter Heehs,2008-05-19 Since his death in 1950 Sri Aurobindo Ghose has been known primarily as a yogi and a philosopher of spiritual evolution who was nominated for the Nobel Prize in peace and literature But the years Aurobindo spent in yogic retirement were preceded by nearly four decades of rich public and intellectual work Biographers usually focus solely on Aurobindo s life as a politician or sage but he was also a scholar a revolutionary a poet a philosopher a social and cultural theorist and the inspiration for an experiment in communal living Peter Heehs one of the founders of the Sri Aurobindo Ashram Archives is the first to relate all the aspects of Aurobindo s life in its entirety Consulting rare primary sources Heehs describes the leader s role in the freedom movement and in the framing of modern Indian spirituality He examines the thinker s literary cultural and sociological writings and the Sanskrit Bengali English and French literature that influenced them and he finds the foundations of Aurobindo s yoga practice in his diaries and unpublished letters Heehs s biography is a sensitive honest portrait of a life that also provides surprising insights into twentieth century Indian history
