Supreme I Sing Only For You:

Supreme, I Sing Only for You Sri Chinmoy, 1974 **The Philosophy of Sri Chinmoy** Kusumita P. Pedersen, 2021-06-28

This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks of life This study of Sri Chinmoy's philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book's aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy's philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings *Simplicity and Power* Vidagdha Meredith Bennett, 1991 **Everyone Has**

A song Inside Of Them (They Just Need To Sing It) Keith Guthmiller, In a world where we're made to feel bad about ourselves we don't have to do that and you're not as powerless as you think you are You have the power to take control of your life and start living the life you should be living *The Century Illustrated Monthly Magazine*, 1908 *It is the same light* Daljit Singh Jawa, 2014-02-07 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankind's religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume two of the *It Is The Same Light*

series SGGS pages 201 400 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurmukhi history or context The following are some of the comments received on the volume 1 pages 1 200 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabad s summary message is given there is connection between the shabads to reveal continuity of thought process in Guru ji s message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Ji s message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granth s many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas
