The Phantom Spouse Denise V. Lang,1990 **How to Stop Your Relatives from Driving You Crazy: Strategies for Coping With** Denise Lang,1992-11 Clear eyed solutions to the problems that ignite family explosions including money religion adult sibling rivalry divorce and blended families serious illness and death **Just Get Me There** Daniel T. Bloom,2005 Following the release of a Mobility article entitled Where Have All the Elders Gone Daniel Bloom SCRP spent two years compiling a written history of the relocation industry Just Get Me There takes the reader on a journey from the early days of the industry in the 1950 s to the present day Divided into four parts the book looks at the journey through the years the role of the real estate relocation departments the evolution of the relocation policies and the trends which will dictate whether the industry survives until the year 2020 Reviewed by some of the leaders of the industry the preliminary response has been outstanding A Review of Books, Studies and Journal Articles Published in the U. S. A. from 1955-1995 Relating to the Sociological Impact of Corporate Relocation on the Family System Barbara W. Cummings,1999-04 America is a mobile nation and frequent relocation is a way of life for many corporate families This qualitative review of literature relating to the sociological impact of relocation on the corporate family appears to show that relocation has short term and long term implications for the family system Relocation is not an isolated event but a process of adjustment over time involving emotional stages similar to the stages of grief and loss Each family member may experience the relocation differently and progress through the stages at a different rate This creates a period of disorganization and disorientation for the family similar to a prolonged jet lag which I call Relo Lag This period of adjustment for the family system is the most frequently cited short term effect and can last up to two years Frequent relocations may also precipitate a long term effect by causing the family system to become too tightly closed The family may not seek outside help when needed or accept it when offered Individual family members may experience difficulty with long term close friendships and relationships outside the family In addition children appear to be particularly vulnerable when relocating during the individuation stages years 3 5 and adolescence years 13 16 Not all families experience relocation negatively and some families cope well with relocation Relocation can improve career and financial opportunities for some corporate families but there may be emotional costs that need to be considered before making a decision to relocate Relo Lag is a Trademark of Barbara W Cummings all rights reserved **Family Harmony** Denise V. Lang,1990 Offers advice on how to handle every type of aggravating and difficult family situation including the areas of conflict that instigate family arguments especially money religion divorce death inheritance blended families and AIDS **Family Therapy** Jon Carlson, Len Sperry, Judith A. Lewis,1997 This is the first book to show therapists how to tailor their treatment plans and how to look at factors such as the impact of work and culture on a family s environment during the counseling process The authors believe that without new approaches counselors will continue to provide hit or miss interventions **Moving** Karen G. Adams,1994 **The Family Dynamic** Margaret
