The Phoenix Trip Elizabeth J. Boardman,1985-06-01 The Phoenix Trip Elizabeth Jelinek Boardman,1985

Memories of the Quaker Past: Stories of Thirty-Seven Senior Quakers Christine Ayoub,2014-02 The book consists of excerpts from interviews of senior members of State College Friends Meeting The narrators who lived through the Great Depression tell of their difficult childhood and yet in most cases one they regarded as happy Some of the conscientious objectors during WWII tell of life in CPS camps others speak of using nonviolent methods with mental patients while still others relate the story of the human guinea experiments some of them participated in Of those who did relief work after the war overseas probably the most exciting tales are told by the four who worked with the Friends Ambulance Unit in China They happened to be located close to where the Nationalists and the Communists were fighting American Reckoning Christian G. Appy,2016-01-05 Christian G Appy explores how the Vietnam war was managed reported packaged and consumed the myths that were created why decisions were made who if anyone got left behind America s accountability for atrocities and how the real Vietnam syndrome has played out in popular culture and our foreign policy He reports across newspaper accounts TV coverage Pentagon stats and position papers memoirs movies novels and more to create a completely fresh account of the meaning of the war asking the hard questions Traveling to Vietnam Mary Hershberger,1998-11-01 Traveling to Vietnam is the first book to document the little known activities of the American peace activists who traveled to Vietnam to meet with officials in Hanoi and with the National Liberation Front What began as an effort to provide information about the war to the American public encouraged travelers to organize mail deliveries between American prisoners of war in Hanoi and their families at home Activists included Mary Clarke of Women Strike for Peace Staughton Lynd former director of the 1964 Mississippi Freedom schools Dr George Perera of Columbia University College of Physicians and Surgeons who researched the effects of defoliants that Americans used during the war Elizabeth Boardman of A Quaker Action Group Joseph Elder of the American Friends Service Committee and actress Jane Fonda Although Washington officials opposed their endeavors seized their passports and bank accounts and usually refused to issue licenses for medical equipment and supplies the activists continued their efforts By 1967 they averaged one delegation trip a month to Hanoi They continued to bring back news from North Vietnam and won the release of some American pilots Civil Disobedience Mary Ellen Snodgrass,2015-04-08 Throughout American history people with strong beliefs that ran counter to society s rules and laws have used civil disobedience to advance their causes From the Boston Tea Party in 1773 to the Pullman Strike in 1894 to the draft card burnings and sit ins of more recent times civil disobedience has been a powerful force for effecting change in American society This comprehensive A Z encyclopedia provides a wealth of information on people places actions and events that defied the law to focus attention on an issue or cause It covers the causes and actions of activists across the political spectrum from colonial times to the present and includes political social economic environmental and a myriad of

other issues Civil Disobedience ties into all aspects of the American history curriculum and is a rich source of material for essays and debates on critical issues and events that continue to influence our nation's laws and values It explores the philosophies themes concepts and practices of activist groups and individuals as well as the legislation they influenced It includes a detailed chronology of civil disobedience listings of acts of conscience and civil disobedience by act and by location a bibliography of primary and secondary sources and a comprehensive index complete the set *Supplement to Vietnam 1964-1973*, 2005 **Supplement to Vietnam 1964-1973** Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War Nonviolent Action Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and

research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
