America they struggled to maintain their own distinct ethnic identity in everything that they did Eventually their German Lutheran and Reformed customs and folkways gave way to Anglo American pressure The tune and chorale books printed for use in Pennsylvania Dutch churches document this gradual process of Americanization including notable moments of resistance to change Daniel Grimmer's Sacred Song and the Pennsylvania Dutch is the only in depth study of the shifting identity of the Pennsylvania Dutch as manifested in their music Through a closer examination of music sources folk art and historical contexts this interdisciplinary study sheds light on the process of cultural change that occurred over the course of a century or more in the majority of Pennsylvania German communities and churches Grimmer's book also provides a model with which to view all ethnic enclaves in America and elsewhere and the ways in which loyalties can shift as a group becomes part of a larger cultural fabric Daniel Grimmer holds a doctorate in sacred music and choral conducting as well as a PhD in musicology He also holds a master of theological studies degree and is a clergyman in the North American Lutheran Church Grimmer teaches at Kent State University and is the pastor at Faith Lutheran Church in Millersburg Holmes County Ohio
