The Play Of Rainbow:

The Play of Rainbow Michael Mackmin, 1970 *The Middlebrow Musical* James O'Leary, Frederick R Selch Associate Professor of Musicology James O'Leary, 2025-07-15 In a country divided by war and racism a group of middlebrow critics believed that art could heal society by blending high art folk and popular culture thereby uniting the separate audiences for each genre Their work culminated in a new kind of musical theater that appeared on Broadway during the 1940s including Rodgers and Hammerstein's *Oklahoma!* Duke Ellington's *Beggar's Holiday* and Kurt Weill's *Street Scene* Ultimately *The Middlebrow Musical* unsettles seemingly familiar concepts such as high art and pop culture and invites readers to reconsider how past writers and musicians have invoked these categories toward civic ends **The Black Theatre Movement in the**

of forms but now it primarily refers to spoken drama or huaju *Backstaging Modern Chinese Theatre* looks beyond scripts to examine visibility acoustics and performance between the two World Wars the period when huaju gained canonical status The backstage in this study expands from being a physical place offstage to a culturally and historically constructed social network that encompasses theatre networks academies and government institutions as well as the collective work of dramatists amateurs and cultural entrepreneurs Early huaju was not a mere imitation of Western realist theatre as it is commonly understood but a creative synthesis of Chinese and Western aesthetics Charting huaju's evolution from American

colleges to China's coastal cities and then to its rural hinterland. Man He demonstrates how the formation of modern Chinese theatre challenges dominant understandings of modernism and brings China to the center of discussions on transnational modernities and world theatres.

The Complete Book of 2010s Broadway Musicals Dan Dietz, 2020-09-10 This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal appearance revues.

All Play and No Work Paul Gagliardi, 2023-12 This book examines how comic plays of the Federal Theatre Project challenged work norms promoted by the federal government during the Great Depression.

Young Children in Digital Society Susan Edwards, Leon Straker, 2025-06-02 Moving the conversation about young children and digital technologies away beyond good or bad, Susan Edwards and Leon Straker present an innovative perspective to educators, researchers, and communities on how to support young children to learn and thrive safely in a digital society. This book marks a turning point in research concerning young children and technologies. Instead of focussing on the impacts of technology on children in ways that generate conflicting information, advice, and opinions, this book centres on understanding how children live, learn, and play in digital society and how the adults in their lives can actively create opportunities that support them to participate safely so that they can thrive. Based on a groundbreaking research project in partnership with industry, this text showcases the development of well-designed end-user content and materials such as videos, infographics, and books that best support young children and their adults living, learning, and playing in digital society. It includes practical examples for early childhood educators and broader communities such as ways to promote physical activity with digital technologies, support children with online safety, facilitate peer relationships using technologies, and engage in digital play for learning. For a closer look into the additional resources and support available, visit <https://youngchildrendigitalsociety.com.au>. A refreshing perspective on young children and digital technology, this book is set to become a foundational text for early childhood educators, policy makers, and communities.

The Methuen Drama Book of Trans Plays Volume 2 Leanna Keyes, Lindsey Mantoan, Angela Farr Schiller, 2025-08-21 This anthology is special: a book of trans plays about trans life as it is actually materially lived in time and space. Theatre Survey on Volume 1, *The Methuen Drama Book of Trans Plays Volume 2* offers eight new plays by trans playwrights centering trans characters, trans life, and gender diversity. Curated via an open submission policy, this book brings together dramatic works that feature nuanced, authentic, and wonderfully messy representations of gender, race, and sexuality. Alongside the full scripts, all of which are published here for the first time, this anthology series also includes a wide range of critical essays to inspire deeper understanding of the works, playwrights, and interventions these plays make in the theatrical ecology.
