D.H.Lawrence's Philosophy of Nature Dr. Tianying Zang,2011-12-16

This book is a study of D H Lawrences view of nature his ecological consciousness contributes to his unique place within modern aesthetics An affinity has been examined between Lawrences ideology of man nature relationship and the classic oriental philosophies concerning nature particularly the ancient Taoism In Lawrences novels and essays one finds that virtually all aspects of his religious vision are anticipated in Eastern literature His almighty Holy Ghost for example who is responsible for the sacred underlying unity is named Brahman by Hindus Dharmakaya by Buddhists and Tao by Taoists His duality with its stress on the dynamic balance between complementary life principles is fully worked out in the Yin Yang philosophy of Taoism

D. H. Lawrence and Ambivalence in the Age of Modernity Gaku Iwai,2024-05-01 D H Lawrence is renowned for his scathing criticism of the ruling class industrialisation of the country and wartime patriotism However his texts bear the imprint of contemporary dominant ideologies and discourses of the period Comparing Lawrence's texts to various major and minor contemporary novels journal articles political pamphlets and history books this book aims to demonstrate that Lawrence's texts are ambivalent his texts harbour the dynamism of conflicting power struggles between the subversive and the reactionary For example in some apparently apolitical texts such as The White Peacock and Movements in European History reactionary ideologies and wartime propaganda are embedded Some texts like Lady Chatterley's Lover are intended to be a radical critique of the period wherein it was composed but they also bear discernible traces of the contemporary frame of reference that they intend to subvert Focusing on Lawrence's stories and novels set in the mining countryside and the works composed under the impact of the First World War this book establishes that Lawrence's texts in fact consist of multiple layers that are often in conflict with each other serving as a testimony to the age of modernity
