Macquarie Pocket Dictionary 5E Macquarie, 2019-10-18 **More Than Words: The Making of the Macquarie Dictionary** Pat Manser, 2021-02-23 The Editorial Committee of the dictionary of Australian English, led by Arthur Delbridge, were adamant that their dictionary was to be descriptive. It was an important point of difference from traditional dictionary policy. This dictionary would give an account of Australian English as it was heard and written. We wanted it all: spoken, written, technical, polite, rude. The speech of labourers, the jargon of merchants, swearwords, Australianisms, as well as the basic core of English vocabulary. The idea for a dictionary of Australian English was conceived in the 1960s, but it wasn't until 1981 that the first edition of the Macquarie Dictionary was published. *More Than Words* tells the story of how the dictionary was brought to life during this period, from identifying the need for a genuinely Australian dictionary to the long road towards publication, and explores how the dictionary has evolved over the years since then. **Macquarie Dictionary Eighth Edition** Macquarie Dictionary, 2020-07-28 The Macquarie Dictionary Eighth Edition is nationally and internationally regarded as the standard reference on Australian English. An up to date account of our variety of English, it not only includes words and senses peculiar to Australian English but also those common to the whole English-speaking world. The Eighth Edition features a comprehensive record of English as it is used in Australia today, more than 3500 new entries such as algorithmic bias, cancel culture, deepfake, eco anxiety, hygge, influencer, Me Too, ngangkari, single use, social distancing, thousands of updated entries to reflect changing perspectives relating to the environment, politics, technology and the internet, illustrative phrases showing how a word is used in context, words and phrases from regional Australia, etymologies of words and phrases, extensive usage notes, foreword by Kim Scott, multi-award-winning novelist. **Macquarie Compact Dictionary** Macquarie Dictionary, 2025-10-14 The Macquarie Compact Dictionary is based on the complete Macquarie

Dictionary Ninth Edition It is an up to date record of the core of Australian English in a convenient format The Macquarie Compact Dictionary features more than 50 000 words and phrases up to date entries such as coercive control long COVID net zero Omicron range anxiety Teal truth telling pronunciations in the International Phonetic Alphabet idiomatic phrases illustrative phrases showing how a word is used in context *The Macquarie Dictionary* Arthur Delbridge,1985 000547982 99 663 000547991 99 664 *Dictionary Activity Sheets for the Pocket Macquarie Dictionary* ,1986 Macquarie Little Dictionary Macquarie Dictionary Staff,2004-10-01
