The Persistence Of Faith:

The Persistence of Faith Scott Owens, 1993-05-01 *The Persistence of Faith* Jonathan Sacks, 2025-07-03 Confidence in a faith is a subtle quality and lack of it shows in many ways some contradictory Dr Sacks has that confidence and the quiet charisma to communicate it Sacks argues that faiths must remain open to criticism keep alive their separate communities and still contribute far more to national debates on moral issues They must also learn to get along better His thesis is that we still live under a Biblical canopy and that a cohesive morality needs the uniting bonds of faith The subject of this book religions and ethics is good ground for him to build on The Jewish contribution to ethics is distinctly rational and has a long and illustrious tradition Moral philosophy is after all a Jewish preoccupation In recent years he writes religion has taken us unawares The rise of the Moral Majority in the USA the Islamic Revolution the growth of religious parties in Israel the power of Catholicism in Poland and the African continent all run contrary to the basic thesis that modernity and secularization went hand in hand and could almost be regarded as synonyms Instead and against all prediction religion has resurfaced in the public domain In this book Sacks argues the case for a broadly based return to tradition within the context of religious pluralism and tolerance Religious values remain a strong force within our culture to be renewed For our society to be viable indeed they must be renewed **A Course in Miracles**, 2008-06 This volume contains the original Course in Miracles text

as well as the Course for Miracles for Teachers and The 360 Lessons **Eight Months at Mount Sinai** Eric J. Titus, 2024-07-16 Eight Months at Mount Sinai is about one person's struggle with suffering and death. These are transparent reflections from someone who has dealt with the subject in the pulpit, the lectern, and life. Some of the reflections are not easy to read. They are gritty and earthy, but they are also honest offerings from one who has suffered in body and soul. The topics of mortality, suffering, loss of identity, sacrifice, loneliness, heartbreak, hospitality, the death of hope, the grace of God, and the persistence of faith are all covered. The resiliency of the human spirit and the profound mystery of God also shine through. The reader will also encounter hope as seen in the way communities of faith, communities of healing, and family all come alongside one journeying through the profundity of human pain. This book is for those who are suffering or have suffered, as well as those who have faithfully accompanied a sufferer on a lonely journey. Readers will not find platitudes here, but may just find a voice that understands. **Discovering Jesus** Daniel T. Rogers, 2024-10-25 More than twenty-five years ago

just find a voice that understands **Discovering Jesus** Daniel T. Rogers, 2024-10-25 More than twenty five years ago author Daniel Rogers walked through a dark night of his soul as he and his wife learned some devastating news In the midst of that news he knew he needed to find the gospel And he found comfort within the rich stories of the Gospel of Mark loving its brevity clarity and swift moving action In Discovering Jesus Rogers walks through the Gospel of Mark introducing the incomparable Christ and the choice Christians have in him He talks about who Jesus is and what he came to do Through scripture and Bible stories Rogers helps you discover Jesus and come face to face with the King of kings Rogers communicates the message that in light of all eternity all good news begins with Christ and apart from him there is no good

news This means you don't have to look any further than Christ for satisfaction and purpose in life *The Persistence of Faith* Norman Pritchard, 1993-01-01 **Walking by Faith** Angus Buchan, 2015-06-19 A volume of daily readings from this remarkable evangelist and speaker who speaks to gatherings of tens of thousands all over the world For each day there is a Bible reading meditation and prayer This is full of distilled wisdom generated from the long hours that Angus spends in solitude reflection and prayer in his study or walking the acres of his beloved farm in South Africa **The Centurion's Faith** Ahmed Musa, 2024-12-14 Discover the remarkable story of faith that crossed boundaries in The Centurion's Faith A Healing from Afar This moving retelling follows a Roman centurion a man of power and authority who humbly seeks Jesus help to heal his beloved servant Through vivid storytelling witness the centurion's profound understanding of authority and his declaration that Jesus need only speak the word for the healing to occur Marvel at Jesus astonishment at such great faith and the miraculous healing that takes place from a distance Rich with themes of humility trust and the universality of God's grace The Centurion's Faith inspires readers to believe in the power of God's word and the boundless reach of His healing love A timeless story that reminds us of the miracles that faith can bring even when we feel far from Him **The Depth of Faith** Pastor Jayamon Jacob, 2012-10 The ultimate goal of this book is to increase anyone's faithless weak faith or little faith to a substantial gravity of mature and deep faith in Our Lord and Savior Jesus Christ since true faith is the bridge between God and man The Bible clearly spells out Jesus is the author and finisher of faith and every believer in Him ought to follow His footsteps While reading this book a genuine transformation in your faith may take place and you may feel the amount of faith slowly enhances and spiritual darkness gradually vanishes Feel the light arrive which would eventually portray the bright and morning star and it is nobody but Jesus Christ He is the Bishop of all souls who knocks at every door to open and anyone opens by faith He would dine with him or her and that person would truly understand He is the author and finisher of your faith **The Increase of Faith** Francis John McConnell, 1912
