## **The Piano Beneath The Skin:**

*The Piano Beneath the Skin* George Hitchcock, 1978      Beneath the Skin Nicci French, 2009-09-26 An absolutely first rate thriller from the author of *Killing Me Softly* about three women being terrorized by the same stalker Zoe Jenny Nadia Three women of varying ages and backgrounds with little else in common but for one thing Someone has sent them each a note informing them that they will be killed A cruel joke A hoax The police don't seem to think so Now with no clear suspect and amid the growing threat of violence the victims become the accused as authorities dig into their backgrounds for clues as to why they might have attracted the unrelenting attention of a killer As Zoe Jenny and Nadia find themselves being victimized twice over once by the faceless stalker and again by the police each must ultimately face the question of which is stronger the instinct to survive or the desire to destroy Powerfully intricate Publishers Weekly      Under the Skin Vicki Lane, 2011-10-18 On the edge Over the line UNDER THE SKIN Elizabeth Goodweather and her city girl sister Gloria couldn't be more different Elizabeth lives on a farm in the Great Smoky Mountains Gloria lives in Florida off an ex husband's fortune Gloria is a beauty Elizabeth isn't Now to Elizabeth's intense displeasure Gloria parks herself at Full Circle Farm on the run from her latest man who she insists is trying to kill her Elizabeth thinks this is just another of her sister's fantasies Besides Elizabeth has her wedding to plan if only she can overcome her fear that the man who already shares her life may not be what he appears to be In this haunting tale from the heart of Appalachia Vicki Lane draws together past and present good and evil folklore and secrets mesmerizing readers with the mysterious bond of true sisterhood richer than blood stronger than the passage of time      **Composing under the Skin** Paul Craenen, 2014-04-29 A revealing study of the physical presence of the musician in musical performance Fingers slipping over guitar strings the tap of a bow against the body of a cello a pianist humming along to the music contemporary composers often work with parasitic non conventional sounds such as these Are they to be perceived as musical elements or do they shift attention to the physical effort of music making contact between a body and an instrument Composer Paul Craenen explores ways in which the musician's body is revealed in musical performance He leads us from Cage Lachenmann Kagel and their contemporaries to a discussion of how today's generation of young composers is writing a body paradigm into composition itself Micro temporal physical gestures and instrumental timbre provide the key to unveiling the physical presence of both a musician and a composing body The author's concept of intercorporeality along with the idea of an alternating linear and non linear relationship of the composing body to time casts new light on the relationship between musicians composers and music consumers      **A Thousand Fathoms Under the Skin** Rolf Schroers, 2003-12-01 Boris Sartorev an American diplomat involved in sensitive Middle Eastern peace talks finds out at his cost that an eclectic group of friends formed in his wild past hold both the key to the mystery and the winning hand Despite the clarity of diplomatic vision being blurred by remembrances of sexual liaisons shared kicks and children born it is soon clear to Boris that he is somehow connected to the Poker Club and therefore frighteningly to their Hitzballah roots

**Benjamin Britten, His Life and Operas** Eric Walter White, 1983 This new edition has been thoroughly revised and edited by John Evans research scholar to the Britten Estate who has updated the chronological list of published works and included in the bibliography the many books that have been written about the composer since his death in 1976 Although as the title suggests this book concentrates on Britten's operatic output Mr White's account offers insights into the whole range of this prodigious composer's music The text is lavishly illustrated with plates that reveal both the diversity of his operatic development and comprise a distinctive pictorial bibliography

**The City Under the Skin** Geoff Nicholson, 2025-08-22 A cartographic thriller with so many twists and turns it requires its own map A cartography obsessed misfit clerk from an antique map store in a district that's not quite trendy yet A bold young woman chasing the answer to a question she can't quite formulate A petty criminal hoping the parking lot he's just purchased is the ticket to a new life of respectability with his school age daughter A ruthless but vulnerable killer and his disgruntled accomplice In *The City Under the Skin* it's not fate that will bind these characters together but something more concrete and sinister the appearance of a group of mysterious women their backs crudely and extensively tattooed with maps They have been kidnapped marked and released otherwise unharmed When one turns up on the doorstep of the map shop and abruptly bares her back only to be hustled away by a man in a beat up blue Cadillac it's the misfit clerk Zak pushed by his curious new friend Marilyn who finds himself reluctantly entering a criminal underworld whose existence he'd prefer to ignore In this haunting literary thriller Geoff Nicholson paints a deft portrait of a city in transition His sharply drawn characters are people desperate to know where they are but scared of being truly seen A meditation on obsession and revenge a hymn to the joys of urban exploration *The City Under the Skin* is a wholly original novel about the indelible scars we both live with and inflict on others
