Stringfellow BARR,1962 **Thomas Merton** James Thomas Baker,2021-12-14 Thomas Merton Social Critic organizes and critically analyzes the social thought of the Cistercian monk who has become an internationally known symbol of the spiritual element in man The author evaluated all of Merton s writings published and unpublished then discussed his interpretations with Merton personally The result is a perceptive relation of Merton s social thought to its genesis in his own life experiences and contemplation a faithful rendering of Merton s thought on the problems of our time Merton the author makes clear called for a spiritual social and religious union It was a poetic and sometimes unimplemented solution to alienation and division a valid and authentic if at times limited response to the contemporary chaos This study will be greeted by a strong reaction from Mertonians everywhere *Associate Justice William O. Douglas* United States. Congress. House. Committee on the Judiciary. Special Subcommittee on H. Res. 920,1970 *The Nation* ,1913 **Man East and West** Howard L. Parsons,1975 Monthly Bulletin San Francisco Public Library,1919 **Hearings, Reports and Prints of the Senate Committee on the Judiciary** United States. Congress. Senate. Committee on the Judiciary,1953 **Slavery, Religion and Regime** Phillip J. Linden Jr. S.S J.,2019-08-26 Slavery Religion and Regime challenged us to question the basis of a society founded on freedom for the elite and the subjugation and enslavement of natives and imported victims of slavery and slave trading The purpose of this book is to establish a critical theological interpretation of the interplay among the significant political economic and religious expressions of modernity in the founding of industrial societies then and today The elite and justice for all while it heralds individualism materialism conceived in violence The dehumanization process along with the killing of natives is a history that extends up to the present day Catalog of Copyright Entries.
