

The Plot to Kill President Kennedy in Chicago and the Other Traces of Conspiracy Leading to the Assassination of JFK: A Visual Investigation delves deep into one of the lesser-known yet critical elements of the Kennedy assassination—the attempted plot to kill the president in Chicago, just weeks before his tragic death in Dallas. This meticulously researched book by renowned author Vince Palamara unveils the layers of conspiracy and negligence, focusing on the overlooked narratives, including the key role of the Secret Service and FBI.

Through riveting eyewitness accounts, declassified documents, and a visual exploration of the evidence, Palamara uncovers details about the men involved in the plot, the mistakes that allowed the Dallas assassination to proceed, and the broader implications of a conspiracy that transcended a single city. With interviews from former Secret Service agents and corroborated intelligence reports, this book rewrites the history of Kennedy's assassination, revealing a continuous thread of danger that stretched from Chicago to Dealey Plaza.

For anyone who wants to understand the full scope of what led to the darkest day in American history, this compelling investigation is a must-read.

"We seem to know a lot about the Secret Service, maybe even more than I do."

— Former JFK Chicago office Secret Service Agent Gordon Baker

"I continue to be impressed with your interest in political affairs and the Kennedy assassination in particular."

— Former JF/LBJ Secret Service Agent Curt S. Worsick

Vince Palamara is the leading civilian Secret Service authority and the author of the books *Survivor's Guilt: The Secret Service and the Failure to Protect President Kennedy* (2013), *JFK: From Portland to Bethesda: The Ultimate Kennedy Assassination Compendium* (2015), *The Not So Secret Service: Agency Tales from PDF to the Kennedy Assassination to Reagan Era* (2017), *Who's Who in the Secret Service: History's Most Misplaced Agents* (2018), and *Honest Answers About the Murder of President John F. The Plot To Kill The President:

Plotting to Kill the President Mel Ayton, 2017-02 Since the birth of our nation and the election of the first president groups of organized plotters or individuals have been determined to assassinate the chief executive From the Founding Fathers to the Great Depression three presidents have been assassinated Abraham Lincoln James Garfield and William McKinley However unknown to the general public almost all presidents have been threatened put in danger or survived near lethal approaches during their terms Plotting to Kill the President reveals the numerous previously untold incidents when assassins plotters and individuals have threatened the lives of American presidents from George Washington to Herbert Hoover Mel Ayton has uncovered these episodes including an attempt to assassinate President Hayes during his inauguration ceremony an attempt to shoot Benjamin Harrison on the streets of Washington an assassination attempt on President Roosevelt at the White House and many other incidents that have never been reported or have been covered up Ayton also recounts the stories of Secret Service agents and bodyguards from each administration who put their lives in danger to protect the commander in chief Plotting to Kill the President demonstrates the unsettling truth that even while the nation sleeps those who would kill the president are often hard at work devising new schemes [The Plot to Kill the President](#)
