The Political Economy Of Regions And Regionalism International Political Economy:

The Political Economy of Regionalism Edward D. Mansfield, Helen V. Milner, 1997 Exploring regionalism from a political economic perspective this text investigates why regional arrangements are formed the conditions under which these arrangements solidify and why they take on different institutional forms **The Political Economy of Regions and Regionalism** Morten Boas, Marianne H. Marchand, Timothy M. Shaw, 2005-12-10 This volume takes the debates on the political economy of regionalization beyond their current stage utilizing the insight that regionalization entails profound socio cultural economic and political restructuring The contributions challenge the traditional formal interstate and institutional bias in analyzes of regionalization in which the EU is often presented as the model for understanding contemporary practices Instead they underscore the need to understand regionalization in terms of its myriad local articulations There is not just one process of regionalization but many **New Regionalism in the Global Political Economy** Shaun Breslin, Christopher W. Hughes, Nicola Phillips, Ben Rosamond, 2002-08-22 Following the financial crisis at the end of the twentieth century regionalisms in the global political economy have evolved in a number of ways This informative book brings together the leading scholars in the field to provide cutting edge analyses of contemporary regions and regionalist projects Providing an innovative integration of theoretica **The Political Economy of Regionalism** F. Söderbaum, 2004-10-29 The Political Economy of Regionalism The Case of Southern Africa challenges prevailing wisdom showing how ruling political elites and big business join forces with certain external actors in order to promote market integration and economic globalization boost regimes and to satisfy group specific and even personal interests Only rarely do these forms of regionalism contribute to the poor and disadvantaged who instead opt out and survive through informal economic regionalisms or seek to create regionalisms rooted in civil society **The Political Economy of Asian Regionalism** Giovanni Capannelli, Masahiro Kawai, 2014-01-23 This book contributes to the theoretical and empirical literature on Asian regionalism with a focus on the innovations needed to reform the current institutional architecture in Asia After reviewing the key issues and challenges related to the political economy of Asia s economic cooperation and integration the book discusses various aspects of regionalism from political and economic perspectives It looks at the rationale for regional collective action and reviews the trend of economic integration with a focus on the implications of the global financial crisis In addition to reviewing the key issues related to the development of regional institutions for integration the book analyzes issues such as trade and finance and deals with the implications of regionalism in terms of the introduction of domestic reforms in Asian countries before discussing the possible formation of a region wide economic community The eight chapters of the book are based on respective papers initially prepared for the Asian Development Bank Institute Conference 2010 **Handbook on the International Political Economy of China** Ka Zeng, 2019 This book examines the processes evolution and consequences of China s rapid integration into the global economy Through analyses of Beijing s international economic engagement in areas

such as trade investment finance sustainable development and global economic governance it highlights the forces shaping China's increasingly prominent role in the global economic arena Chapters explore China's behavior in global economic governance the interests and motivations underlying China's international economic initiatives and the influence of politics including both domestic politics and foreign relations on the country's global economic footprint **Contemporary South**

Africa and the Political Economy of Regional Development Methembe Mdlalose, Isaac Khambule, Nene Ernest Khalema, 2025-02-21 South Africa's struggle in balancing its domestic needs while playing a dynamic developmental role in the African region and global context exposes a complex web of relations shaped by its geostrategic location on the continent and the world and the staggering legacies of colonialism and apartheid As such understanding the complexities of the global economy and of South Africa's place in it is of great importance This book builds upon an existing body of literature which has demonstrated that while the post apartheid South African state has recast its nation building goals with advances having been made notably in the area of a stellar post apartheid constitution policy directives and democratic political integration economic integration and policy implementation presents a projection of captured interests where big business concerns are entrenched in the post apartheid state's apparent neo liberal turn The main focus of the book is to contextualise issues relating to three main trends in global discourses on development which are significant for South Africa and indeed for the study of the political economy of regional development in the country from the prism of South Africa as a global capitalist state These trends include the impact of globalisation regionalisation and the marginalisation of South Africa and indeed the African continent in the global economy thus unpacking the possible role that South Africa might play in regional development This volume will be a valuable resource to academics researchers and students in the fields of regional studies economics and political theory as well as policymakers planners and local economic development practitioners **The**
