Casino Barry Tighe, 2000-09 **Feeling Lucky** Paul Franke, 2023-07-13 Monte Carlo and Las Vegas have become synonymous with casino gambling Both destinations featured it as part of a broad variety of leisure and consumption opportunities that normalized games of chance and created emotional atmospheres that supported the hedonistic aspects of gambling Urban spaces and architecture were carefully designed to enable a rapid growth of the casino industry and produce experiences on previous unimaginable scale Feeling Lucky is a making of story about cities which acquired a strange and captivating allure of mystery around them It is more than a mere descriptive account however Combining urban history the history of consumption and sociological approaches it presents a compelling comparative history of Monte Carlo and the Las Vegas Strip between the 1860s and 1970s Paul Franke takes the reader on a journey from arriving at the cities through the carefully planned urban environments and into the famous casinos The analysis follows the paths contemporary gamblers would have taken right to the gambling tables and to the shifting gambling practices across a century Franke shows that casino entrepreneurs succeeded in producing and selling gambling experiences by controlling spaces adapt leisure practices and appeal to specific markets Gamblers on the other hand regarded Monte Carlo and Las Vegas as places to engage in games of chance that would allow them to preserve their political cultural and moral identities

The Casino and Society in Britain Seamus Murphy, 2020-11-23 This book is a study of the British casino industry and how it has been shaped by criminality prohibition regulation and liberalization since the beginning of the First World War The reader will gain a detailed knowledge of the history culture identity and

participants within the British casino industry which has to date escaped the attention of a dedicated historical and criminological investigation This monograph fills this gap in inquiry while drawing on primary source material that has not been used previously including but not confined to records in the National Archives relating to the Gaming Board of Great Britain and the Metropolitan Police In addition to archive material oral histories newspapers published journals and books have been utilised and referenced where appropriate Envisaged to close a gap in historical research this book will be of interest to historians criminologists regulators students and individuals interested in gambling society and cultural history

In the Corridors of Power David Lipsey, 2012-06-28 A political adviser to the formidably intellectual Foreign Secretary Tony Crosland and to Prime Minister Jim Callaghan and a senior journalist at The Times and The Economist David Lipsey has been close to the heart of government for more than four decades Providing a unique perspective on a period of great economic and political upheaval In the Corridors of Power details such flashpoints as the 1976 77 IMF crisis which saw Britain under a divided government hovering on the edge of national bankruptcy and reveals why Jim Callaghan ducked an election in 1978 and led Labour to disastrous defeat in 1979 But Lipsey is no one dimensional policy nerd Here we see a man who moves easily from the rarefied atmosphere at the core of government to the more down to earth pleasures of the greyhound track and the racecourse betting ring while his enthusiasm for harness racing is such that he has regularly competed in the sport It is often said that the very best political books come from those who observe from behind the scenes rather than from the politicians in the front line Here is a classic of the genre

International Hospitality Management
Alan Clarke, Wei Chen, 2009-11-04 International Hospitality Management issues and applications brings together the latest developments in global hospitality operations with the contemporary management principles It provides a truly international perspective on the hospitality and tourism industries and provides a fresh insight into hospitality and tourism management The text develops a critical view of the management theory and the traditional theories looking at how appropriate they are in hospitality and tourism and in a multicultural context The awareness of cultural environments and the specifications imposed by those cultures will underpin the whole text International Hospitality Management is designed to instil a greater awareness of the international factors influencing the strategies and performances of hospitality organisation The approach focuses on a critical analysis of the relevance and application of general management theory and practice to the hospitality industry Consisting of three 3 parts divided into 14 chapters each of which deals with a major topic of international management the book has been thoroughly developed with consistent learning features throughout including Specified learning outcomes for each chapter International case studies including major world events such as the September 11 Terrorist Attacks the Argentine Financial Crisis The SARS virus The Institution of Euro the accession of China to the World Trade Organization and the expansion of European Union as well as international corporations such as Marriott Hilton Intercontinental McDonalds Starbucks etc It introduces the global market situation including Americas Europe Asia Pacific

The Gambling Act 2005 Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2012-07-24 High street betting shops and casinos alike are currently allowed a maximum of four B2 FOBT gaming machines which allow stakes up to 100 and a 500 prize Casinos should instead be permitted to operate up to twenty B2 type gaming machines Limiting the number of B2 machines in betting shops has encouraged them to cluster in some high streets in order to satisfy customer demand Local Authorities should have the power to permit more than the four B2 machines per shop if they believe it will help with clustering The Committee also recommends that any local authority be able to make the decision as to whether or not they want a casino As a step towards this existing 1968 Act Casino licences should be made portable allowing operators to relocate to any local authority provided that they continue to be constrained by the need to obtain local authority approval a premises licence and planning permission The failure to set remote gambling taxation at a level at which online operators could remain within the UK has led to almost every online gambling operator moving offshore whilst most are still able to advertise and operate into the UK The Committee further recommends the Gambling Commission should introduce a new licence fee structure which reduces the current anomaly where small independent bookmakers pay much higher fees per shop than large chains Particularly given the absence of a significant UK regulated online sector or any Regional Casinos the Gambling Commission remains an overly expensive bureaucratic regulator

Engaging With Stakeholders Adam Lindgreen, Francois Maon, Joelle Vanhamme, Beatriz Palacios Florencio, Christine Vallaster, Carolyn Strong, 2018-08-15 Engaging with Stakeholders A Relational Perspective on Responsible Business contends that meaningful and constructive stakeholder engagement efforts should be rooted in a deep relational process of shared understanding expectations and viewpoints through honest continued dialogue between stakeholders and company management This anthology follows and reaffirms this view which also establishes the increasing need to explore the subtleties of how

companies can respectfully engage their stakeholders in ways that reflect the corporate strategy and contribute to the ongoing development of business activities and creation of value for themselves and stakeholders from social environmental and economic perspectives Stakeholder engagement practices however remain highly complex and difficult to manage their ability to generate value in an inclusive way requires critical consideration Sound stakeholder engagement efforts also constitute a keystone for responsible business activities Drawing on a wide range of literature and studies this book addresses key dimensions of stakeholder engagement through a responsible business lens and thereby contributes to identifying the opportunities challenges and key organizational implications associated with their unfolding The four main topics covered are Delineating the nature and multiple reasons d tre of stakeholder engagement Dialogical and communicational foundations of stakeholder engagement Engaging with diverse stakeholders throughout the value chain Reaping organizational returns and relational rewards of stakeholder engagement efforts
