Superior Person Lord Curzon:

Superior Person Kenneth Rose, 1969 One of England's most noted scholars and author of *George V* superbly evokes the world of the ruling class in late Victorian Britain Full of anecdote and incident it captures the life of George Nathaniel Curzon who served as the Viceroy of India Born into a family and culture in which privileges were taken for granted Curzon still believed robustly in the civilizing mission of the British Empire Aside from the remarkable Curzon such illustrious figures as Oscar Wilde Gladstone Balfour and others put in finely drawn appearances Amazon.com *Our Osage Hills* Michael Snyder, John Joseph Mathews, 2020-07-24 This revealing book presents a selection of lost articles from *Our Osage Hills* a newspaper column by the renowned Osage writer naturalist and historian John Joseph Mathews Signed only with the initials J J M Mathews's column featured regularly in the *Pawhuska Daily Journal Capital* during the early 1930s While Mathews is best known for his novel *Sundown* 1934 the pieces gathered in this volume reveal him to be a compelling essayist Marked by wit and erudition Mathews's column not only evokes the unique beauty of the Osage prairie but also takes on urgent political issues such as ecological conservation and Osage sovereignty In *Our Osage Hills* Michael Snyder interweaves Mathews's writings with original essays that illuminate their relevant historical and cultural contexts The result is an Osage-centric chronicle of the Great Depression a time of environmental and economic crisis for the Osage Nation and country as a whole Drawing on new historical and biographical research Snyder's commentaries highlight the larger stakes of Mathews's reflections on nature and culture and situate them within a fascinating story about Osage Native American and American life in the early twentieth century In treating topics that range from sports art film and literature to the realities and legacies of violence against the Osages Snyder conveys the broad spectrum of Osage familial social and cultural history [More Things that Matter](#) George Allardice Riddell Baron Riddell, 1925 ***The Chronicle of the London Missionary Society***, 1901

The Sketch, 1900 [Wisdom Teachings of the Mahāyāna](#) Sangharakshita, 2023-08-16 How much knowledge of the Dharma do we need Sangharakshita's answer might surprise some a lot less than we think but we need to use the knowledge we do have well This is the teaching of the four main works in this volume Based on seminars conducted in 1976 and 1978 each offers a lesson in how to think critically about Mahāyāna Buddhist teachings and how to apply them to day to day life They are *The Way to Wisdom* on the five spiritual faculties *Living Ethically* and *Living Wisely* on Nāgārjuna's *Precious Garland* and *Know Your Mind* which explores a Tibetan Abhidharma text ***Sherlock Holmes and the Crowned Heads of Europe*** Thomas A. Turley, 2021-09-28 This collection contains four cases that chronicle Sherlock Holmes and Dr Watson's quarter century of espionage against the German Empire As most readers know that campaign ended in triumph on the night of August 2 1914 Along the way there were many ups and downs some of them recorded in this series *The Case of the Dying Emperor* 1888 Our Heroes journey to Charlottenburg to defend Frederick III Germany's stricken emperor from the wily machinations of the Iron Chancellor Otto von Bismarck and Frederick's cold and calculating son the future Kaiser Bill The

Inconvenient Heir Apparent 1898 Holmes is summoned to Geneva by the legendary Sisi Empress Elisabeth of Austria to rake through the coals of Mayerling and learn the true fate of Crown Prince Rudolf her dead son A Scandal in Serbia 1903 The actual events behind A Scandal in Bohemia Get ready for surprising revelations about that story s heroine and meet two non Bohemian kings a hapless queen and conspirators who will light the Balkan Powder Keg that sets off World War I The Welbeck Abbey Shooting Party 1913 A prequel to His Last Bow Can Holmes save a threatened heir apparent without compromising his more vital mission to outwit a German spy Can Watson spend a week in the country with two beautiful aristocratic ladies and still go home to his third wife The British Constitution Ivor Jennings,1967-01-02 The British Constitution is accepted in England at least as the symbol for soundness and reliability and yet its unwritten mysteries and its practical resilience are the despair of theorists It is as unexpected as a person and seems to be defined only by the fact that it lives and works This 1966 book then might be described as a biography by one who has a first hand knowledge of his subject It offers ordinary British citizens a reasonable and detached introduction to the system in which they play so large a part at the same time it provides for friends and critics overseas a simple and reliable account of its growth and functioning **The Christian Advocate** ,1916 **Nineteenth Century Prose** ,1991
