Superpower Rivalry:

Superpower Rivalry in the Indian Ocean Selig S. Harrison, K. Subrahmanyam, 1989 Indian and American experts reflecting different perspectives and areas of expertise here examine the political ethnic and religious factors that have escalated superpower tensions in India and its nearby Islamic states Superpower Rivalry in the Indian Ocean Since the Withdrawal of Great Britain Moonis Ahmar, 1986 Superpower Rivalry in the Indian Ocean Paul George, Canadian Institute for International Peace and Security, 1989 The paper focuses on the interaction between the presence of the superpowers in the Indian Ocean and the regional conflicts which have caused concern in the last decade It first presents an historical survey of external involvement in the Indian Ocean and defines the region in its geographical context Then in a chronological assessment of the activities of the United States and the Soviet Union in the Indian Ocean region it is shown how the Indian Ocean moved from being an area of low strategic priority to one at the forefront of the strategic competition between East and West Finally the paper considers the impact of changing geostrategic circumstances on regional security relationships

Superpower Rivalry & 3rd World Radicalism S. Neil MacFarlane, 1985 **Great Power Rivalries** William R. Thompson, 1999 This volume examines interstate rivalries of the past 500 years providing case studies of those between land powers with continental orientations and leading maritime powers and challengers The contributors focus on the transition from commercial to strategic rivalry *Compound Dilemmas* Michael Dean McGinnis, John Taylor Williams, 2001 An explanation of how domestic support for U S defense expenditures was generated during the Cold War **Superpower Rivalry and Conflict** Chandra Chari, 2009-12-16 Various described by historians and thinkers as the most terrible century in Western history a century of massacres and wars and the most violent century in human history the 20th century and in particular the period between the First World War and the collapse of the USSR forms a coherent historical period which changed the entire face of human history within a few decades This book examines the trajectory of the Cold War and the fallouts for the rest of the world to seek lessons for the 21st century to manage international relations today and avoid conflict Written by experts in their field the chapters provide an alternative perspective to the Western paradigm dominated international relations theory The book examines for example whether now in the 21st century the unipolar moment has passed and if the changing economic balance of power thrown up by globalization has led to the emergence of a multipolar world capable of economic and multilateral cooperation It discusses the potential of new cooperative security frameworks which would provide an impetus to disarmament and protection of the environment globally and asks if nuclear disarmament is feasible and necessary The book highlights areas in which the potential for conflict is ingrained Offering Asian perspectives on these issues perspectives from countries like Afghanistan Vietnam West Asia and Pakistan which were embroiled in the Cold War as mere pawns and which have become flashpoints for conflict in our century this book is an important contribution to the ongoing debate **The Arab-Israeli Conflict Transformed** Hemda Ben-Yehuda, Shmuel Sandler, 2002-04-04 Makes

the perhaps surprising argument that in the last quarter of the twentieth century the Arab Israeli conflict has been winding down

War and Peace in International Rivalry Paul Diehl, Gary Goertz, 2010-06-02 This book provides the first detailed analysis of international rivalries the long standing and often violent confrontations between the same pairs of states The book addresses conceptual components of rivalries and explores the origins dynamics and termination of the most dangerous form of rivalry enduring rivalry since 1816 Paul Diehl and Gary Goertz identify 1166 rivalries since 1816 They label sixty three of those as enduring rivalries These include the competitions between the United States and Soviet Union India and Pakistan and Israel and her Arab neighbors The authors explain how rivalries form evolve and end The first part of the book deals with how to conceptualize and measure rivalries and presents empirical patterns among rivalries in the period 1816 1992 The concepts derived from the study of rivalries are then used to reexamine two central pieces of international relations research namely deterrence and democratic peace studies The second half of the book builds an explanation of enduring rivalries based on a theory adapted from evolutionary biology punctuated equilibrium The study of international rivalries has become one of the centerpieces of behavioral research on international conflict This book by two of the scholars who pioneered such studies is the first comprehensive treatment of the subject It will become the standard reference for all future studies of rivalries Paul F Diehl is Professor of Political Science and University Distinguished Teacher Scholar University of Illinois He is the coeditor of *Reconstructing Realpolitik* and coauthor of *Measuring the Correlates of War* Gary Goertz is Assistant Professor of Political Science University of Arizona and is the coauthor with Paul Diehl of *Territorial Change and International Conflict*

Politics of Conflict Vassilis Fouskas, 2010-10-18 Four sections present a thorough overview of current issues in the politics of conflict in historical perspective Essay chapters written by a variety of academic and other experts on topics including conflicts in Latin America Africa the Caucasus and Central Asia South Asia and South East Asia the Arab Israeli Conflict and Yugoslavia provide background analysis and information on some of the key aspects of conflicts in the world It also includes an A Z glossary of conflicts in the world Maps of countries and regions and a select bibliography
