

The background of the book cover is a textured brown. It features several large, overlapping circles in red, purple, and orange. A light blue arc with yellow circular markers is positioned horizontally across the middle. In the top right and bottom left corners, there are clusters of colorful rectangular blocks in shades of purple, teal, orange, and green. A series of small pink dots forms a vertical line on the right side. A thin black line, resembling a pencil or pen, is drawn diagonally across the lower right portion of the cover.

Pawlas,Peter F. Oliva,2007-06-29 Specifically designed for the introductory course this text provides an overview of the field of instructional supervision Acquaints students with not only the authors views on supervision but with those of other specialists in the field placing heavy emphasis on practice and the supervisor s responsibilities as an instructional leader Continues to stress that the relationship between the supervisor and teacher is built on trust and that the overall goal is to improve student achievement through better instruction *The Three-Minute Classroom Walk-Through* Carolyn J. Downey,Betty E. Steffy,Fenwick W. English,Larry E. Frase,William K. Poston, Jr.,2004-04-20 Change the entire school culture with this collaborative method of supervision For years the classic supervision model has frustrated both principals and teachers by fostering superior subordinate relationships focusing on teacher conformity rather than growth or producing checklist data that are irrelevant to the curriculum The Three Minute Classroom Walk Through offers a practical time saving alternative that impacts student achievement by cultivating self reliant teachers who are continuously improving their practice This method answers principals key questions Is the work of my teachers aligned with district curriculum Are my teachers using research based best practices Are they choosing the instructional strategies that will promote student achievement

Human Resource and Contract Management in the Public School Bernadette Marczy,David William Marczy,2002-09-04 Human resource management an essential part of public school administration is particularly

vulnerable to legal interpretation and challenge Like all other institutions that receive federal funds public schools have a unique rulebook that sets the parameters for management particularly with respect to human resource issues This authoritative text is an essential resource for administrators It will help new and experienced managers to navigate the practical and legal concerns likely to affect the many human resource functions including recruiting hiring and firing personnel collective bargaining staff development and record keeping and reporting The insightful discussion of the laws and policies currently structuring human resource management is augmented with examples of forms and procedures to be used in addressing particular hr functions An Instructor s Manual has been developed to accompany this text **How to Coach**
