Historical Dictionary of Lithuania Saulius A. Suziedelis, 2011-02-07 The Lithuanian people have undergone historic changes quite different from those of other European nations In earlier centuries geography provided strategic advantage and opportunities for expansion but in recent times the country has more often experienced location as a geopolitical curse After constantly losing territory and shrinking in size the country disappeared in 1795 However after World War I a popular national movement led to the restoration of Lithuania as an independent state World War II and its bloody aftermath brought foreign occupation as well as genocide mass murder and destruction unparalleled in the country s modern history The restoration of independence in 1990 has fundamentally altered Lithuania s geopolitical reality Integration into the European Union and the North Atlantic Treaty Organization promise a new level of security for the Lithuanian state in the 21st century even as the social and economic transformations present both promising opportunities and difficult challenges The second edition of the Historical Dictionary of Lithuania will serve as a useful

introduction to virtually all aspects of Lithuania's historical experience including the country's relations with its neighbors. This is done through a chronology, an introductory essay, an extensive bibliography, and over 300 cross-referenced dictionary entries on significant persons, places, and events, institutions, and organizations, and political, economic, social, cultural, and religious facets. *Papers of the Bibliographical Society of Canada*, Bibliographical Society of Canada, 1979. *Guide to the Study of the Soviet Nationalities*, Stephan M. Horak, Marjorie Mandelstam Balzer, 1982. **Current Catalog**, National Library of Medicine (U.S.), 1993. First multi-year cumulation covers six years 1965-70. **Supplemental catalogue of books, by author, title, subject and class, added ... from October 1874 to December 1879-(1893)**. National library of Ireland, 1881. **Contextuality of the Bible in Lithuania until the End of the Eighteenth Century**, Kristina Rutkovska, Rajmund Pietkiewicz, 2024-12-09. The collective book by Lithuanian researchers presents research conducted in Lithuania on the historical and socio-cultural contexts of the Bible and the ways in which it functioned in Lithuanian writing from its beginning to the 18th century. The ways of religious communication, the dissemination of religious and social ideas in the works of theologians, the functioning of biblical texts, and the ways of their transmission are shown. The articles review the problems of translating the Bible into Lithuanian and Slavic languages, consider the influence of other languages and cultures on the formation of the Lithuanian language in its early development, and address issues of editing and publishing religious writings.
