Burrow,Patrick L. Hill,2020-08-19 This book explores what it means to live a purposeful life and outlines the benefits associated with purpose across different life domains It also demonstrates that purpose in life is not reducible to constructs such as happiness well being or identity development The importance of having a sense of purpose in life is attracting renewed attention in both scientific and social arenas Mounting evidence from intricately designed experiments and large scale studies reveals how pursuing a purpose can make a person happier healthier and even lengthen their lifespan However existing texts on purpose have said little on why having has these effects how it may influence our ability to navigate diverse environments or how best to consider the construct from a multidisciplinary approach that moves beyond psychology Recognizing this gap in the literature this book provides multidisciplinary perspectives on the topic of purpose and examines what we can do as researchers interventionists and society as a whole to imbue purposefulness in the lives of people across the lifespan It includes contributions from key figures on topics such as identity health youth programs and youth purpose diversity aging and work **Books in Print Supplement** ,2002 **Resources in Education** ,1997 The Case of Social Emotional Learning: Evidence-Based Practices Pedro Rosário ,Carmel Cefai,2024-09-20 At the end of the last century social emotional learning SEL emerged as a relevant theme in education all over the world What is SEL SEL may be defined as a multidimensional construct orchestrating individuals ability to identify and manage emotions feelings and concern for others as well as to organize and

manage behaviors toward goals solve problems and develop positive relationships SEL has been gaining growing popularity among researchers and practitioners Still there is a reasonable degree of ambiguity regarding the concept In fact the term is often used as an umbrella for many types of programs and interventions from distinct areas such as school public health mental health or character education addressing the vulnerability of children and youth to various social and psychological problems What is more topics covered under the SEL umbrella are diverse as follows emotions cognition including multiple intelligences motivation socialization in schools and families and self regulation and its effects
