Supreme Court Watch 1996:

Hidden Agendas Lydia Miljan, Barry Cooper, 2003 Few books in Canada empirically and systematically examine the role journalists play in the news making process While there are several books that look at how journalists do their jobs and others that examine the political process none until now have analyzed the opinions of journalists and how the news is reported Focusing primarily on the political orientation of journalists Miljan and Cooper investigate the link between what journalists believe about politics and how they report political issues Using data gathered from interviews with over 800 Canadians and some 270 journalists the authors compare how the attitudes of journalists differ from those of the general population and how the journalists opinions influence the daily news By examining the way they respond to questions on the economy social issues and national unity and comparing these responses with how the stories were reported in Canadian news outlets the book arrives at the controversial conclusion that journalists more so than the owners of the media are the architects of the news engineering not only its drama but also its ideological thrust A must read for anyone interested in politics and the media this book should be read by journalists politicians academics and all Canadians who are concerned about the hidden agendas of journalists

The Common Place of Law Patricia Ewick, Susan S. Silbey, 2014-12-10 Why do some people not hesitate to call the police to quiet a barking dog in the middle of the night while others accept the pain and losses associated with defective products unsuccessful surgery and discrimination Patricia Ewick and Susan Silbey collected accounts of the law from more than four hundred people of diverse backgrounds in order to explore the different ways that people use and experience it Their fascinating and original study identifies three common narratives of law that are captured in the stories people tell One narrative is based on an idea of the law as magisterial and remote Another views the law as a game with rules that can be manipulated to one s advantage A third narrative describes the law as an arbitrary power that is actively resisted Drawing on these extensive case studies Ewick and Silbey present individual experiences interwoven with an analysis that charts a coherent and compelling theory of legality A groundbreaking study of law and narrative The Common Place of Law depicts the institution as it is lived strange and familiar imperfect and ordinary and at the center of daily life

Selected Court Case Abstracts , 2001 Contains collected abstracts of the FEC about court cases pertinent to the Federal Election Campaign Act of 1971 as amended *English Legal System* Helen|Kotecha Rutherford (Birju|Macfarlane, Angela), Birju Kotecha, Angela Macfarlane, 2024 Clear complete and contextualized this guide to the English legal system provides the strongest foundation for students at the start of their studies Straightforward explanations of key topics are paired with learning features showcasing the law in its everyday context to give students a firm grasp of the fundamentals of the legal system

The Communist Crimes Patrycja Grzebyk, 2022 Communist crimes did not give way to Nazi atrocities and their scale was much greater Above all however political considerations determined that the Communists did not live up to their Nuremberg In addition the prosecution of communist crimes involves a number of legal difficulties

both of a material and procedural nature The authors of this study hope that they have succeeded in signaling these difficulties and at the same time inspire further research that is necessary and urgent given the advanced age and criminals and victims who are still waiting for justice

Selected Court Case Abstracts, 1976 A Chronology of Librarianship, 1960-2000 Jeffrey M. Wilhite, 2009-07-01 A Chronology of Librarianship 1960 2000 continues the work of Josephine Smith in her original Chronology of Librarianship Scarecrow 1968 It updates and completes her work up to 2000 paying special attention to the progress made on technological and international fronts that have significantly altered the role and function of the librarian especially the rise of the internet in the 1990s The ramifications of this new level of global connectedness and of the new role of the librarian are of primary concern for author Jeffrey M Wilhite This book covers all areas of library literature that inform the history of librarianship and ranges over multiple continents Its broad scope lends itself to wide use by scholars and students of library history and library literature The chronology is presented in a dictionary format and separated into decades It is complemented by a comprehensive bibliography and name index

Forthcoming Books Rose Army, 1997-12 The Women of CourtWatch Carole Bell Ford, 2010-01-01 Houston was a terrible place to divorce or seek child custody in the 1980s and early 1990s Family court judges routinely rendered verdicts that damaged the interests of women and children In some especially shocking cases they even granted custody to fathers who had been accused of molesting their own children Yet despite persistent allegations of cronyism incompetence sexism racism bribery and fraud the judges wielded such political power and influence that removing them seemed all but impossible The family court system was clearly broken but there appeared to be no way to fix it This book recounts the inspiring and courageous story of women activists who came together to oppose Houston s family court judges and whose political action committee CourtWatch played a crucial role in defeating five of the judges in the 1994 judicial election Carole Bell Ford draws on extensive interviews with Florence Kusnetz the attorney who led the reform effort and other CourtWatch veterans as well as news accounts to provide a full history of the formation struggles and successes of a women s grassroots organization that overcame powerful political interests to improve Houston s family courts More than just a local story however this history of CourtWatch provides a model that can be used by activists in other communities in which legal and social institutions have gone astray It also honors the heroism of Florence Kusnetz whose commitment to the Jewish concept of tikkun olam repairing and improving the world brought her out of a comfortable retirement to fight for justice for women and children

Modi & India Rahul Shivshankar, Siddhartha Talya, 2023-11-10 Focuses on how dharma provides the foundation for a new republic Bibek Debroy Intensely researched argument about an alternative idea of India Salman Khurshid The year 2014 was a consequential one for the Bharatiya Janata Party and for India Will 2024 also be so Is this election about stopping the rise of Narendra Modi and his alleged distortion of the idea of India as conceived by its founders or the beginning of a dharma inspired second republic In 2014 the BJP under the leadership of Modi won a clear majority in the Lok Sabha elections The

National Democratic Alliance's triumph ended a nearly two and a half decade run of mostly messy coalition governments. In 2019 the BJP further improved its tally cementing its parliamentary majority and its ability to ring in transformational laws and policies. Most of the initiatives taken by the Modi led NDA have been aimed at positioning Bharat as a Vishwa Guru, an exemplar of moral righteousness, a pluralistic democracy led by dharma and drawing sustenance from the wellspring of an eternal Hindu universalism. But this shift towards India's Hindu ethos has prompted the Opposition and many allied commentators to fear the rise of a second republic, a Hindu Rashtra moored to an implacable ultra nationalist and majoritarian dogma. The INDIA bloc has declared the 2024 election as the last opportunity to stop the rise of Modi and his idea of India. Evocative, anecdotal, argumentative and deeply researched, *Modi and India 2024 and the Battle for Bharat* chronicles the emergence of and the battle for a new republic in the making.
