[God Is Speaking](#) Darlena Newson, 2023-02-09 The title *God Is Speaking* and the words in this book were given to me by God. These are words of encouragement, instruction, and inspiration, all in the form of poetry. These are not my words; I am the instrument that God used to put it on paper. God is an awesome God. He knows the right things to say and the right time to say them. My prayer is that people will find comfort and peace when reading these words and that they will truly be blessed. *Vanilla Mommy* Bradie Moore, 2005 Moore tells the unique true story of a young single white woman who must learn about everything from nappy hair to ashy skin when she adopts a five-year-old African American girl from the Los Angeles County Department of Children's Services. *A Time to Heal* Syllas Savior, 2019-11-12 This book is about learning to heal from the things that have hurt you in the past so that you may be able to embrace your future. **Merleau-Ponty and Modern Politics After Anti-Humanism** Diana Coole, 2007-08-28 In this important new book, Diana Coole shows how existential phenomenology illuminates and enlivens our understanding of politics. With breadth of vision and penetrating insight, Coole demonstrates that political questions were always central to Merleau-Ponty's philosophical project. Her examination of his complete body of work presents us with a rigorous philosophy that maintains our capacities for agency despite moving beyond a philosophy of the subject. *Merleau-Ponty and Modern Politics after Anti-humanism* is the first major work on Merleau-Ponty's political philosophy in over two decades. Coole presents his later philosophy of flesh as the outline for a new understanding of the political, which forms the basis for reconsidering humanism after but also through anti-humanism. She also shows how Merleau-Ponty's concern with

contingency anticipated arguments by thinkers such as Derrida Foucault and Deleuze while sustaining a robust sense of politics as the domain of collective life The result is a philosophical analysis that speaks to our contemporary concerns in which we seek a coherent account of our actions our environment and ourselves such that we might become exemplary political actors within a complex and uncertain world
