The Pictorial History of the Vietnam War Jeremy Barnes, 1988 **Vietnam, the War in the Air** Gene Gurney, 1985 A pictorial history of the U S air forces in the Vietnam War Air Force Army Navy and Marines **A Pictorial History of the Vietnam War** Richard F. Newcomb, 1987 **Vietnam** Gene Gurney, 1987 Riverine Jim Mesko, 1985 Beskriver den del af Vietnamkrigen der omfattede US Navy s kamp bl a med kanonb de langs kysterne og ind i floderne for at afsk re fremryknings og forsyningsveje The Cambodian Campaign John M. Shaw, 2005 When American and South Vietnamese forces led by General Creighton Abrams launched an attack into neutral Cambodia in 1970 the invasion ignited a firestorm of violent antiwar protests throughout the United States dealing yet another blow to Nixon s troubled presidency But as John Shaw shows the campaign also proved to be a major military success Most histories of the Vietnam War either give the Cambodian invasion short shrift or merely criticize it for its political fallout thus neglecting one of the campaign s key dimensions Approaching the subject from a distinctly military perspective Shaw shows how this carefully planned and executed offensive provided essential support for Nixon s decent interval and peace with honor strategies by eliminating North Vietnamese sanctuaries and supply bases located less than a hundred miles from Saigon and by pushing Communist troops off the Vietnamese border Despite the political cloud under which the operation was conducted Shaw argues that it was not only the best of available choices but one of the most successful operations of the entire war sustaining light casualties while protecting American troop withdrawal and buying time for Nixon s pacification and Vietnamization strategies He also shows how the United States took full advantage of fortuitous events such as the overthrow of Cambodia s Prince Sihanouk the redeployment of North Vietnamese forces and the late arrival of spring monsoons Although critics of the operation have protested that the North Vietnamese never did attack out of Cambodia Shaw makes a persuasive case that the near border threat was very real and imminent In the end he contends the campaign effectively precluded any major North Vietnamese military operations for over a year Based on exhaustive research and a deep analysis of the invasion s objectives planning organization and operations Shaw s shrewd study encourages a newfound respect for one of America s genuine military successes during the war **Vietnam Riverine Craft 1962-75** Gordon L. Rottman, 2012-06-20 In 1965 the military situation in the Mekong River Delta of southern Vietnam had deteriorated so much that the decision was made to commit a joint US Army and Navy Mobile Riverine Force to the area This force was unique in its composition mission and the means by which it operated riverine craft Comprising the Army s 2nd Brigade 9th Infantry Division and the Navy s River Assault Flotilla One it used a variety of watercraft including heavily modified landing craft purpose built patrol boats and a whole host of auxiliary and support craft Featuring illustrations this book explores those craft and also gives an account of Task Force Clearwater a much smaller operation in the extreme northern part of South Vietnam **Armor in Vietnam** Jim Mesko, 1982 A Bibliography of the United States Navy and the Conflict in Southeast Asia, 1950-1975 Edward J.

Marolda, James Leshner, 1991 Enables researchers to identify the most comprehensive books and articles on the Navy's overall involvement in the war in Southeast Asia Presents researchers only interested in specific subject areas with the fullest information on the sources treating those individual topics 20 subject categories emphasize naval combat operations and other significant aspects of the Navy's experience in the war Includes special category on Navy Women Over 1 500 items included with full bibliographic citation Special Bibliography Series , 1957
