The Picture Behind Him:

Pictures Really Do Have A Story Behind Them Michael Hart, 2018-03-13 There are photography books on the market today that consist of pictures and some pictures may include who is in the picture and the location of the picture This book goes beyond just pictures because I include stories personal thoughts to some pictures to make them more interesting There is a saying that goes Pictures tell a story Well there are some stories that are as interesting as the picture itself There are three things that make this photography book different from others in the market There is a poem I wrote about September 11 2001 The poem is after the pictures of the 911 memorial in New York If someone is looking for an Alzheimer s support group online then please see the flower picture for details The pictures in this book consist of various subjects instead of all on one subject

Behind it All Lesley Achilles, 2020-10-20 That call that was everything and nothing A call that ripped gravity out from under me He had died Nothing prepares you for that call but you take it anyway I hate that call and wish time and time again that the call could be taken back But it s done and that bell that horrible loud gonging bell will never be unrung I am about to share the darkest time of my life with you What you are going to read is my most intimate thoughts during an exceptionally vulnerable time A time in which I had my first taste of loss Death Heartbreak The stuff movies are made of By no measure am I a writer but in putting words out there I found release

The Picture of Dorian Gray Oscar Wilde, 1992 This revised Norton Critical Edition like its predecessor is the only edition available that includes both the 1890 Lippincott s and the 1891 book version of The Picture of Dorian Gray Under the editorial guidance of Wilde scholar Michael Patrick Gillespie students have the opportunity to read comparatively both published versions of this controversial novel Backgrounds and Reviews and Reactions allow readers to gauge The Picture of Dorian Gray s sensational reception when the 1890 version appeared and to consider the heated public debate over art and morality that followed its publication Joris Karl Huysmans Walter Pater and Oscar Wilde offer a sense of the diverse opinions on these topics Eight contemporary reviews and comments on the novel are reprinted among them four opinions from the St James s Gazette immediately after publication in 1890 each followed by Oscar Wilde s vehement reply Criticism includes seven new essays on the novel that reflect key changes in interpretive theory in recent years and reveal the broad range of perspectives associated with Wilde and The Picture of Dorian Gray Simon Joyce Donald L Lawler Sheldon W Liebman Maureen O Connor Ellie Ragland Sullivan John Paul Riquelme and Michael Patrick Gillespie provide their varied assessments A Chronology and a Selected Bibliography are also included

in order to preserve their cultural heritage Paul the Minstrel and Other Stories Arthur Christopher Benson, 2022-08-01

Arthur Christopher Benson's anthology Paul the Minstrel and Other Stories culled from the earlier collections The Hill of Trouble and The Isles of Sunset is a fabric of richly woven narratives resplendent with philosophical undertones and an undercurrent of Victorian sensibilities. Within its pages Benson's literary tapestry displays his mastery of language and storytelling, inviting readers into a world where the fantastical elements serve to illuminate the mysteries and intricacies of the human condition. Positioned firmly within the canon of early 20th century literature, these stories echo the traditionalist ethos of their era yet remain timeless in their exploration of universal themes.

Arthur Christopher Benson, an esteemed English essayist and poet, was profoundly influenced by his academic tenure and personal reflections on life's ephemeral nature. The son of an Archbishop and a member of one of the intellectual families of his time, Benson's works often reflect his contemplative journey through his own moral and spiritual dilemmas. It is this introspection coupled with his deep appreciation for the aesthetics of literature which breathes life into Paul the Minstrel and Other Stories, making it a vessel for his existential musings.

Recommended for the discerning bibliophile, Paul the Minstrel and Other Stories is an exemplary collection that resonates with the wisdom of an era and the profundity of Benson's intellectual rigor. It is an invitation to symbiotically experience the beauty of prose and the nuances of life's grand tapestry. This book will undoubtedly appeal to those who cherish literary finesse and are intrigued by the exploration of the human spirit through the prism of storytelling.

The Isles of Sunset Arthur Christopher Benson, 2022-09-16

Arthur Christopher Benson's The Isles of Sunset is a work of profound introspection and lyrical beauty. Published in an era of literary experimentation, the narrative weaves between the temporal and the ethereal, embracing a blend of romanticism and emblematic motifs. The book carries its readers through a tapestry of fantastical landscapes and philosophical musings reflective of the early 20th century spirit.

DigiCat Publishing's edition ensures that Benson's nuanced prose and the elegant structure of the narrative are preserved, allowing modern readers to experience the text as contemporaries might have at a time when the novel served as both escapism and reflection upon the greater human condition.

As a member of the renowned Benson family, Arthur Christopher Benson was both an observer of the elite intellectual circles and a contributor to them. His upbringing in late Victorian England imbued in him a sensibility that grapples with the noble and the quotidian, evident in the depth and the sensitivity of his characterizations.

The Isles of Sunset likely emerges not only from Benson's literary ambitions but from his personal meditations on mortality, legacy, and the passage of time. His position as an educator at Cambridge underscores the intellectual rigor applied to his works.

The Isles of Sunset is highly recommended for readers who find solace in the elegiac and revel in the imaginative ventures of the mind. Benson's work is an essential read for those seeking to explore the nuances of early modern English literature or as an addition to any collection devoted to the evolution of narrative form and style.

DigiCat Publishing's meticulous reproduction offers a seamless journey into the past, presenting a work that deserves its place among the classics of world literature.
