William Wye Smith Scott A. McLean, Michael E. Vance, 2008-11-10 Many writers of the late nineteenth and early twentieth centuries emphasized the virtues of early rural pioneers and life on the land as a general criticism of what they perceived to be the negative alienating influence of Ontario's rapid urban and industrial expansion Such work often highlighted the difficulties the recent emigrant faced the clearing of forest and the breaking of new ground the isolation and long Canadian winters however they in turn celebrated the progress demonstrated in the pioneer's domination over nature the establishment of thriving communities and the extension of transportation networks William Wye Smith a popular nineteenth century Upper Canadian poet was no exception Smith prepared his *Canadian Reminiscences* a hand written compilation of anecdotes collected during his lifetime that relate to his experience as journalist clergyman and son of Scottish settlers to provide his own unique perspective of pioneer life This fully annotated version of Smith's unpublished manuscript highlights Smith's unwitting testimony to the social life of the province his relationship to the construction and maintenance of Scottish and Canadian identity as well as his position in literary history

Down to the Gore: The History of the McMahons in Canada Terry J. McMahon, 2014-12-02 Down to the Gore focuses on a Protestant branch of the McMahon family that emigrated from County Down to Quebec in 1823 It follows the family from the Gore Quebec to Crystal Falls and Arundel Quebec This true family history offers genealogical sketches and local history filled with tragedy and triumph

Improving Upper Canada Ross Fair, 2024-06-03 Agricultural societies founded in the colony of Upper Canada were the institutional embodiment of the ideology of improvement modelled on contemporary societies in Britain and the

United States In Improving Upper Canada Ross Fair explores how the agricultural improvers who established and led these organizations were important agents of state formation The book investigates the initial failed attempts to create a single agricultural society for Upper Canada It examines the 1830 legislation that publicly funded the creation of agricultural societies across the colony to be semi public agents of agricultural improvement and analyses societies established in the Niagara Home and Midland Districts to understand how each attempted to introduce specific improvements to local farming practices The book reveals how Upper Canada s agricultural improvers formed a provincial association in the 1840s to ensure that the colonial government assumed a greater leadership role in agricultural improvement resulting in the Bureau of Agriculture forerunner of federal and provincial departments of agriculture in the post Confederation era In analysing an early example of state formation Improving Upper Canada provides a comprehensive history of the foundations of Ontario s agricultural societies today which continue to promote agricultural improvement across the province
