Andreach, 2014-07-16 This book refutes the claim that tragedy is no longer a vital and relevant part of contemporary American theatre Tragedy in the Contemporary American Theatre examines plays by

multiple contemporary playwrights and compares them alongside the works of America's major twentieth century tragedians Eugene O'Neill, Arthur Miller and Tennessee Williams. The book argues that tragedy is not only present in contemporary American theatre but issues from an expectation fundamental to American culture: the pressure on characters to create themselves. Tragedy in the Contemporary American Theatre concludes that tragedy is vital and relevant though not always in the Aristotelian model, the standard for traditional evaluation. Theatre Magazine, 1920

A History of the Theatre Costume Business Triffin I. Morris, Gregory DL Morris, Rachel E. Pollock, 2021-09-30

A History of the Theatre Costume Business is the first ever comprehensive book on the subject as related by award winning actors and designers and first hand by the drapers, tailors and craftspeople who make the clothes that dazzle on stage. Readers will learn why stage clothes are made today by whom and how. They will also learn how today's shops and ateliers arose from the shops and makers who founded the business. This never before told story shows that there is as much drama behind the scenes as there is in the performance. Famous actors relate their intimate experiences in the fitting room, the glories of gorgeous costumes and the mortification when things go wrong while the costume makers explain how famous shows were created with toil, tears and sweat and sometimes even a little blood. This is history told by the people who were present at the creation, some of whom are no longer around to tell their own story. Based on original research and first hand reporting, A History of the Theatre Costume Business is written for theatre professionals: actors, directors, producers, costume makers and designers. It is also an excellent resource for all theatregoers who have marveled at the gorgeous dresses and fanciful costumes that create the magic on stage as well as for the next generation of drapers and designers.
