The Playmaker Project Daniel Peterson, 2020-03-24 When winning at all costs becomes too expensive Eddie Alonso a former pro soccer star whose career was ended by a violent and intentional assault is now a reluctant high school science teacher and varsity coach in St Cloud MN When two of his favorite student players are recruited by an upstart Finnish soccer club owned by an eccentric tech billionaire with a secretive cognitive training program run by Dr Anna Lehtinen Eddie is suspicious of the motives but resists the urge to get involved But when Benny Gilbert calls Eddie from Finland to let him know of some strange personality changes of Peter Borg his best friend Eddie s fears are confirmed Eddie finally jumps into action but not before an enigmatic Russian investor has targeted Peter as a star recruit for his own St Petersburg soccer club But there are other plans beyond sports for the neuroscience experiment now embedded into Peter s head Eddie and Anna must unite to save Peter before he is brainwashed into cooperating with a revengeful agenda The action races from Minnesota to Finland to Russia and back home In the end Eddie needs to know if his dream was lost for a reason as he and Anna try to make sure this new technology is preserved for compassion not corruption

Jackson, 2013-11 No Ordinary Family is a story a true story about young girls that came together and played softball as a team called the Arkansas Playmakers I had a fellow author read an early copy before it was sent to the publisher I asked him to look it over and then get back to me with ways the manuscript could

be improved He had many good ideas and I hope I was able to implement them to his satisfaction However he had one question Were these girls real Yes Their names too he asked Yes The story is real and unlike Dragnet the names were not changed I did not know what I was getting myself into when I chose this assignment but I hope everyone that reads this book will come to understand that not everything has to be a soap opera or a world of drama queens There are parents that coach hard but remain parents and see the world as one of many colors not just black and white where winning is everything Fortunately for the Arkansas Playmakers the parents and the girls have come together to form a unique family that lives loves plays and enjoys life together This book is their story It is a story of a brother and a sister girls that came together to form a team but eventually became sisters first and foremost the bond between softball fathers and their softball daughters and what makes a team a championship team on and off the field It is about how a team became part of a small rural community in the southeastern corner of Arkansas I hope those that read this book find it enjoyable and worth your time and effort
