Curtis Zahn

The Plight of the Lesser Sawyer's Cricket
Poetry, Prose and Poems

By Curtis Zahn

Author of *American Contemporary*

The writing of Curtis Zahn leads to a considerable body of contemporary drama and literature. A past winner of the Olin Denson Poetry Award and San Diego Golden Gate Award for his poetry, Zahn's plays, prose and poems have undergone public and widespread publication in literary journals around the world, under such editors as Walter Lowrie, Ted Lowman, Katherine Tegen, Stan Rodden and Ken Hill. A large number of his plays have been produced in theaters around the United States, where he has served twice as playwright-in-residence.

In the 1960s, William Sanyal wrote (in review of the prose collection *American Contemporary*): "Curtis Zahn's writing is like a kind of history, and therefore will be seen in new light as time goes by." In his introduction to *American Contemporary*, Herbert Gold writes, "... In his contemporary work Zahn has reached a point of the work commensurate with a work of art. He is a poet and a dramatist."

The prose collection emphasizes three of the best Zahn plays, two of them written in the 1960s. They are marked with the very special sense of voice - often "leaving into the special voice" - which is Zahn's trademark. Readers and players alike will find the language of Zahn and the darkness of reflection from his plays which have evolved since 1960. Zahn's plays have been published in many forms, including a book in the USA. The anthology *Curtis Zahn* and a volume of poems, *Against the present collection*, although not a comprehensive list of the distinctive Zahn essays.
