St. John of the Cross

The Poems Of St John Of The Cross:

The Poems of St. John of the Cross Saint John of the Cross, 1979 San Juan de la Cruz the great sixteenth century Spanish mystic is regarded by many as Spain's finest poet. Passionate, ecstatic and spiritual, his poems are a blend of exquisite lyricism and profound mystical thought. In *The Poems of St John of the Cross*, John Frederick Nims presents his superlative translation of the complete poems, re-creating the religious fervor of St John's art. This dual language edition makes available the original Spanish from the Codex of Sanl con de Barrameda with facing English translations. The work concludes with two essays: a critique of the poetry and a short piece on the Spanish text that appears alongside the translation, as well as brief notes on the individual poems. Poems of St. John of the Cross Kathleen Jones, 2010-01-07 The first complete English translation in 40 years, Jones has produced a version aimed at those who wish to pray through the poems, the source of all of St John's work. It is also a literary delight, simple, direct and close to the popular romance meter beloved of St John himself. Spanish and English on facing pages. Poetry of St. John of the Cross St. John of the Cross, 2012 *The Poetry of St John of the Cross* includes 25 of his most inspirational poems, including *What is Grace*, *By the Waters of Babylon*, *My Soul is a Candle Within the Trinity*, and more. John of the Cross was a major figure of the Counter Reformation, a Spanish mystic, Catholic saint, Carmelite friar, and priest. He is considered along with Saint Teresa of Avila as a founder of the Discalced Carmelites. His poetry and his studies on the growth of the soul are considered the summit of mystical. *Twenty Poems by St. John of the Cross* St. John of the Cross, 2008-03 St John of the Cross was considered to be one of the greatest Spanish poets. Collected here are twenty of his amazing poems, including *The Dark Night*, *A Spiritual Canticle of the Soul*, and *the Bridegroom Christ Love's Living Flame*. *By the Waters of Babylon* and many others. The Poems of Saint John of the Cross Saint John of the Cross, 1972 *The Poems of St. John of the Cross*, 2015-03-10 Saint John's poetry of love and joy describes the soul's passage through dark night to final illumination in mystical union with Absolute Being. The allegory the poet uses is that of earthly love, and the poems are strikingly effective on the immediate level of personal experience, quite apart from their theological meanings. Many critics regard the work of Saint John of the Cross, 1542-91, the 16th century mystic, to be among the finest poetry Spain has produced. This bilingual edition, the first in modern English, was originally published in hard cover in 1968 by the Indiana University Press. Most of these poems were written during a period of nine months in 1577-78 when Saint John, San Juan de la Cruz, was imprisoned and tortured in the dungeon of a small Carmelite monastery in Toledo, and their recurrent motifs are both metaphysical and deeply personal. The Essential St. John of the Cross St. John of the Cross, 2013-06-28 Collected here in this omnibus edition are all three of St John of the Cross's major works, as well as twenty of his magnificent poems. *The Ascent of Mount Carmel* is the third major work of St John of the Cross and is considered to be the introductory work on mystical theology. *Dark Night of the Soul* is one of the greatest religious poems ever written. This masterpiece of Mystic Christianity examines faith and how to keep faith when all seems lost. Think of it as a guide to making it through the dark night.

of the soul to the brighter happier faith filled tomorrow that awaits In A Spiritual Cantic of the Soul and the Bridegroom Christ St John states I do not purpose here to set forth all that greatness and fullness the spirit of love which is fruitful embodies in it Yes rather it would be foolishness to think that the language of love and the mystical intelligence and that is what these stanzas are can be at all explained in words of any kind for the Spirit of our Lord who helps our weakness **St John of the Cross: His Life and Poetry** Gerald Brenan,1973-05-17 The paperback edition of a very successful and in some ways remarkable book first published in 1973 Gerald Brenan is well known for his expository works on Spanish history and literature and now in his eighties he has returned to an early interest in the Spanish mystics to produce an absorbing study of St John of the Cross one of the foremost of Catholic mystics and poets The book is perhaps the first in English to combine an objective but sensitive and lively account of St John s life with a fresh translation by Mr Brenan s associate Lynda Nicholson of his verse **The Poems of St. John of the Cross** Saint John of the Cross,John Frederick Nims,1959 *The Complete Works of St. John of the Cross, Doctor of the Church, V2* St. John Of The Cross,2013-10 This is a new release of the original 1953 edition
