The Politics Of Compromise State And Religion In Israel:

The Politics of Compromise: State and Religion in Israel Ervin Birnbaum, 1970 Examines the safety of democracy in Israel and reveals the inner workings of Israel's political process State and Religion in Israel Gideon Sapir, Daniel Statman, 2019-01-10 State and Religion in Israel begins with a philosophical analysis of the two main questions regarding the role of religion in liberal states should such states institute a Wall of Separation between state and religion Should they offer religious practices and religious communities special protection Gideon Sapir and Daniel Statman argue that liberalism is not committed to Separation but is committed to granting religion a unique protection albeit a narrower one than often assumed They then use Israel as a case study for their conclusions Although Israel is defined as a Jewish state its Jewish identity need not be interpreted religiously requiring that it subjects itself to the dictates of Jewish law Halakha The authors test this view by critically examining important topics relevant to state and religion in Israel marriage and divorce the drafting of yeshiva students into the army the character of the Sabbath and more **Politics and Government in Israel** Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel's foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today **A Multicultural Entrapment** Michael Karayanni, 2020-12-17 The religion and state debate in Israel has overlooked the Palestinian Arab religious communities and their members focusing almost exclusively on Jewish religious institutions and norms and Jewish majority members Because religion and state debates in many other countries are defined largely by minority religions issues the debate in Israel is anomalous Michael Karayanni advances a legal matrix that explains this anomaly by referencing specific constitutional values At the same time he also takes a critical look at these values and presents the argument that what might be seen as liberal and multicultural is at its core just as illiberal and coercive In making this argument *A Multicultural Entrapment* suggests a set of multicultural qualifications by which one should judge whether a group based accommodation is of a multicultural nature *Civil Religion in Israel* Charles S. Liebman, Eliezer Don-yehiya, 2022-05-13 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds

and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1983 **Israel Yearbook on Human Rights, Volume 11 (1981)** Yoram Dinstein,2020-10-26 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations The Articles section of Volume 34 contains articles on Current Issues in International Law and Military Operations **Research Handbook on Law and Religion** Rex Ahdar,2018-09-28 Offering an interdisciplinary international and philosophical perspective this comprehensive Research Handbook explores both perennial and recent legal issues that concern the modern state and its interaction with religious communities and individuals **The Oxford Handbook of Israeli Politics and Society** Reuven Y. Hazan,Alan Dowty,Menachem Hofnung,Gideon Rahat,2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country s history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments *Religion in the Public Sphere: A Comparative Analysis of German, Israeli, American and International Law* Winfried Brugger,2007-06-22 How closely connected should church and state be May a state endorse the role and meaning of religion at all Can it treat distinct religious groups differently This book addresses these questions and more through a portrayal and comparison of the legal systems of Germany Israel France and the United States This thought provoking book brings the often opposing demands of religious and secular freedoms into clear focus *Israel, the Embattled Ally* Nadav Safran,2009-07-01 Through thirty turbulent years the United States has been deeply enmeshed in Israel s destiny Seldom in the history of international relations has such a world power been involved so intensely for so long with such a small power How this phenomenon came to pass and how it will affect the future are explained in this compelling history of Israel and its relations with the United States from the 1947 United Nations resolution through Kissinger s shuttle diplomacy to Carter s peace campaign To form

the backdrop for this extraordinary relationship Nadav Safran paints a detailed portrait of the historical forces that combined to create the Jewish state He unfolds panel after panel of Israeli life its physical environment people economy politics and religion He examines Israel's responses to the many security crises it has faced since becoming a nation and presents a clear and thorough exposition of its defense strategy and descriptions of all its wars Safran then presents his brilliant analysis of Israel and America in international politics Cutting through the tangle of the Arab Israeli conflict the East West struggle the disagreement among Western powers the conflicts within and among the Arab states and the impact of special interest groups in the United States on its foreign policy Safran deftly pursues fluctuations in the American Israeli relationship as it moved from simple friendship to an alliance of friends A concluding chapter recapitulates the highlights of that evolution and projects its relevance for the future of the Middle East and American Israeli relations

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Politics Of Compromise State And Religion In Israel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Politics Of Compromise State And Religion In Israel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Politics Of Compromise State And Religion In Israel books and manuals for download have transformed the way we access information.
