The Person and Work of the Holy Spirit Rene Pache,1979-06-01 The difference between a religion of mere letter and form and one of life and power lies in knowing the Holy Spirit It was Dr R A Torrey who pointed that out and showed Christians that the Holy Spirit is a Person to be worshiped Someone who would take hold of you and use you as He transformed you from day to day Can you or can any Christian go far in the Christian life without giving time and thought to the third Person of the Godhead Obviously not for the Holy Spirit takes the things of Christ and shows them to us who makes the practical application of Bible knowledge in the outworking of Christian living He alone can make Christian theory into life and deeds Throughout this book Dr Pache will direct us into thinking again about who the Holy Spirit is what He did before Pentecost and what He has been doing since then in the lives of men What place does the Holy Spirit have in the service of the Christian worker and what will be His ministry in the future The Person and Work of the Holy Spirit answers these questions and others concerning conviction baptism filling indwelling and gifts of the Spirit

The Person and Work of The Holy Spirit (Annotated) Reuben Archer Torrey,2020-01-22 Differentiated book It has a historical context with research of the timeThe Person and Work of the Holy Spirit by R A Torrey is a Christian classic that is hard to judge I had originally come to the book expecting to find so much to apply to my life Initially it was wonderful to read and there was just so much spiritual food to get from the Biblical applications Concepts such as I had never before considered were presented to me Important truths that I felt shamed at not realizing It was a wonderful time of contemplating the hidden truths to me of God s Word Then well then the troubles began About a third of the way through the work the charismatic thoughts of Torrey began to surface The unScriptural heresies that would pollute the otherwise great God honoring work of the Azusa Street Revival are evident in this book I am not trying to start a theological battle with the Pentecostals and others in the Charismatic movements I am merely pointing out that many of the pleas to feeling can be just as troubling an extreme as pure cold logic with no feeling Most of the book is filled with these notions
