The Philippine Economy History And Analysis:

The Philippine Economy Pedro V. Salgado, 1985 **The Philippine Economy** Ramon L. Clarete, Emmanuel F. Esguerra, Hal Hill, 2018-09-10 In this volume a leading group of scholars pose the question has the Philippine economy rejoined the dynamic East Asian mainstream and if so what set of policies and priorities are required to maintain the strong economic momentum of recent years Successive chapters address issues related to growth and poverty infrastructure and urbanization education health the environment energy development finance and governance and institutions The book has been written with a broad audience in mind First and foremost it is for readers in and interested in this fascinating and important country with a population that now exceeds a hundred million Second it will appeal to those in the broader development community with an interest in the analytical and policy challenges that democratic middle income countries face as they struggle to lift their citizens out of poverty and to achieve broad based and environmentally sustainable growth

The Oxford Handbook of Christianity in Asia Felix Wilfred, 2014-05-23 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia

Filipino Peasant Women Ligaya Lindio-McGovern, 1997-09-29 A Filipina from the peasant class herself the author has unprecedented access to women workers in this militarized society as well as rich insights into the lives of Third World women Her interviews with members of the National Federation of Peasant Women in the Philippines and its local chapter Peasant Women of Mindoro detail women s landlessness poverty and disempowerment **1978-1989**

Heinz-Dietrich Fischer, 2020-01-20 No detailed description available for 1978 1989 *Globalisation, Human Rights and Labour Law in Pacific Asia* Anthony Woodiwiss, 1998-04-30 Anthony Woodiwiss s pathbreaking book was the first substantive contribution to a sociology of human rights In it he takes up the question of whether so called Asian values are compatible with human rights discourse and argues against human rights issues being the major obstacle to East West co operation Dr Woodiwiss s sociological and post structuralist approach to the concept of rights and his incorporation of the transnational dimension into sociological theory enable him to demonstrate how the global human rights regime can accommodate Asian

patriarchalism while Pacific Asia is itself adapting by means of what he calls enforceable benevolence His studies of Hong Kong the Philippines Malaysia and Singapore highlight similarities between Pacific Asian and Western societies and offer a positive view of the social forces obtaining in these territories **An Economic History of the Philippines** Onofre D. Corpuz,1997 This history is meant as an aid to the understanding of the Philippine economy through description and analysis of its early foundations and sectors and their basic features as they evolved over time *Mortgaging Women's Lives* Pamela Sparr,1994 Een evaluatie aan de hand van een reeks case studies van de impact van het economisch beleid van het Internationaal Muntfonds en de Wereldbank op vrouwen in de ontwikkelingslanden met onder meer aandacht voor het gevoerde overheidsbeleid en de impact van de door de internationale instanties opgelegde maatregelen op plattelandsvrouwen *Building Global Labor Solidarity* Kim Scipes,2020-10-13 Efforts to build bottom up global labor solidarity began in the late 1970s and continue today having greater social impact than ever before In *Building Global Labor Solidarity Lessons from the Philippines South Africa Northwestern Europe and the United States* Kim Scipes who worked as a union printer in 1984 and has remained an active participant in research about and writer chronicling the efforts to build global labor solidarity ever since compiles several articles about these efforts Grounded in his research on the KMU Labor Center of the Philippines Scipes joins first hand accounts from the field with analyses and theoretical propositions to suggest that much can be learned from past efforts which though previously ignored have increasing relevance today Joined with earlier works on the KMU AFL CIO foreign policy and efforts to develop global labor solidarity in a time of accelerating globalization the essays in this volume further develop contemporary understandings of this emerging global phenomenon
