The Philosophy Of Paul Ricur An Anthology Of His Work:

Subject Guide to Books in Print ,1991 Being, Essence and Substance in Plato and Aristotle Paul Ricoeur,2013-09-03

Paul Ricoeur 1913 2005 was one of the outstanding French philosophers of the 20th century and his work is widely read in the English speaking world This unique volume comprises the lectures that Ricoeur gave on Plato and Aristotle at the University of Strasbourg in 1953 54 The aim of these lectures is to analyse the metaphysics of Plato and Aristotle and to discern in their work the ontological foundations of Western philosophy The relation between Plato and Aristotle is commonly portrayed as a contrast between a philosophy of essence and a philosophy of substance but Ricoeur shows that this opposition is too simple Aristotelian ontology is not a simple antithesis to Platonism the radical ontology of Aristotle stands in a far more subtle relation of continuity and opposition to that of Plato and it is this relation we have to reconstruct and understand Ricoeur s lectures offer a brilliant analysis of the great works of Plato and Aristotle which has withstood the test of time They also provide a unique insight into the development of Ricoeur s thinking in the early 1950s revealing that even at this early stage of his work Ricoeur was focused sharply on issues of language and the text The Republic; Plato,Paul Shorey,2018-11-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Philosophy of Bertrand Russell** Paul Arthur Schilpp,2003-01-01
