The Philosophy Of Right Rights In God39s Church:

The Philosophy of Right: Rights of the family Antonio Rosmini,1993 *The Philosophy of Right* Antonio Rosmini,1993
Antonio Rosmini applied to the Christian Church the universal principles of social right **Justice** Nicholas
Wolterstorff, Noah Porter Professor Emeritus of Philosophical Theology Nicholas Wolterstorff,2008 Wide ranging and
ambitious Justice combines moral philosophy and Christian ethics to develop an important theory of rights and of justice as
grounded in rights Nicholas Wolterstorff discusses what it is to have a right and he locates rights in the respect due the
worth of the rights holder After contending that socially conferred rights require the existence of natural rights he argues
that no secular account of natural human rights is successful he offers instead a theistic account Wolterstorff prefaces his
systematic account of justice as grounded in rights with an exploration of the common claim that rights talk is inherently
individualistic and possessive He demonstrates that the idea of natural rights originated neither in the Enlightenment nor in
the individualistic philosophy of the late Middle Ages but was already employed by the canon lawyers of the twelfth century
He traces our intuitions about rights and justice back even further to Hebrew and Christian scriptures After extensively
discussing justice in the Old Testament and the New he goes on to show why ancient Greek and Roman philosophy could not
serve as a framework for a theory of rights Connecting rights and wrongs to God s relationship with humankind Justice not
only offers a rich and compelling philosophical account of justice but also makes an important contribution to overcoming the
present day divide between religious discourse and human rights *The Philosophy of Right: Rights of the Individual*
Antonio Rosmini,1993 **The Philosophy of Right: Rights in civil society** Antonio Rosmini,1993 **Rights in Civil**
