The Pineapple Club:

The Pineapple Club Jordan Sterling, 2005-05 **One Life** Barbara Winton, 2024-11-05 Sir Nicholas Winton rescued 669 Jewish children from Nazi occupied Czechoslovakia at the brink of World War II Most never saw their parents again This is his story Now a major motion picture starring Sir Anthony Hopkins and Helena Bonham Carter In 1938 29 year old Nicky cancelled a ski trip and instead spent nine months masterminding a seemingly impossible plan to rescue hundreds of Jewish children and find them homes in the United Kingdom Over 6 000 people are alive today because of his efforts What motivated an ordinary man to do something so extraordinary This book written by his daughter Barbara explores the 106 year life of an incredible humanitarian a man whose legacy only came to public light decades later His life story is a clarion call to choose action over apathy in the face of injustice and a reminder that every one of us can change the world If something is not impossible then there must be a way to do it **Rhode Island Off the Beaten Path®** Robert Curley, 2025-05-06 Rhode Island Off the Beaten Path features the things travelers and locals want to see and experience if only they knew about them From the best in local dining to quirky cultural tidbits to hidden attractions unique finds and unusual locales Rhode Island Off the Beaten Path takes the reader down the road less traveled and reveals a side of Rhode Island that other guidebooks just don't offer **Before the Storm** Di Morrissey, 2020-10-27 From Australia's favourite storyteller with new novel The Night Tide out now Face her demons Or run After being double crossed by a devious colleague career woman Ellie Conlan quits her job on principle With no idea what to do next she retreats to Storm Harbour an idyllic Victorian beach town Ellie's grandfather runs The Storm Harbour Chronicle the trusted local newspaper As Ellie is drawn into a story about a development which could split the coastal community and involves her with the influential O'Neill family an event she has long suppressed threatens to overwhelm her Dark clouds gather as rumours fly and tensions mount And when a violent storm breaks and rages Ellie will finally have to confront her past PRAISE FOR BEFORE THE STORM There's no denying the beauty and opulence of Morrissey's rendering of place She is a master of the genre Weekend Australian a gripping twisting yarn Australian Women's Weekly Hunting the Collectors Susan Cochrane, Max Quanchi, 2014-11-10 This volume investigates Pacific collections held in Australian museums art galleries and archives and the diverse group of 19th and 20th century collectors responsible for their acquisition The nineteen essays reveal varied personal and institutional motivations that eventually led to the conservation preservation and exhibition in Australia of a remarkable archive of Pacific Island material objects art and crafts photographs and documents Hunting the Collectors benchmarks the importance of Pacific Collections in Australia and is a timely contribution to the worldwide renaissance of interest in Oceanic arts and cultures The essays suggest that the custodial role is not fixed and immutable but fluctuates with the perceived importance of the collection which in turn fluctuates with the level of national interest in the Pacific neighbourhood This cyclical rise and fall of Australian interest in the Pacific Islands means many of the valuable early collections in state and later national repositories

and institutions have been rarely exhibited or published But as the authors note enthusiastic museum anthropologists curators collection managers and university based scholars across Australia and worldwide have persisted with research on material collected in the Pacific This volume is a very important one for anyone studying the art and material culture of the Pacific It focuses on collections now in Australia Even those well versed in museum collections from the Pacific will learn about many important but little known collectors as well as better known figures like the anthropologists F E Williams and Thomas Farrell the husband of Queen Emma This will be a treat for students and specialist alike Professor Robert L Welsch University of Dartmouth
