The Poetics Of Anticolonialism In The Arabic Qasidah:

The Poetics of Anti-colonialism in the Arabic Qaṣīdah Hussein N. Kadhim, 2004 This volume deals with the Arab literary response to European colonialism as articulated in the works of four leading twentieth century poets A mad Shawq Ma r f al Ru f Badr Sh kir al Sayy b and Abd al Wahh b al Bay t

The Dangers of Poetry Kevin M. Jones, 2020-09-01 Poetry has long dominated the cultural landscape of modern Iraq simultaneously representing the literary pinnacle of high culture and giving voice to the popular discourses of mass culture As the favored genre of culture expression for religious clerics nationalist politicians leftist dissidents and avant garde intellectuals poetry critically shaped the social political and cultural debates that consumed the Iraqi public sphere in the twentieth century The popularity of poetry in modern Iraq however made it a dangerous practice that carried serious political consequences and grave risks to dissident poets The Dangers of Poetry is the first book to narrate the social history of poetry in the modern Middle East Moving beyond the analysis of poems as literary and intellectual texts Kevin M Jones shows how poems functioned as social acts that critically shaped the cultural politics of revolutionary Iraq He narrates the history of three generations of Iraqi poets who navigated the fraught relationship between culture and politics in pursuit of their own ambitions and agendas Through this historical analysis of thousands of poems published in newspapers recited in popular demonstrations and disseminated in secret whispers this book reveals the overlooked contribution of these poets to the spirit of rebellion in modern Iraq

Arab-Jewish Literature Reuven Snir, 2019-01-07 In Arab Jewish Literature The Birth and Demise of the Arabic Short Story Reuven Snir offers an account of the emergence of the art of the Arabic short story among the Arabized Jews during the 1920s especially in Iraq and Egypt its development in the next two decades until the emigration to Israel after 1948 and the efforts to continue the literary writing in Israeli society the shift to Hebrew and its current demise The stories discussed in the book reflect the various stages of the development of Arab Jewish identity during the twentieth century and are studied in the relevant updated theoretical and literary contexts An anthology of sixteen translated stories is also included as an appendix to the book Highly recommended for academic libraries collecting in the areas of Arab Jewish cultural history diaspora and exile studies and literary identity formations Dr Yaffa Weisman Los Angeles in Association of Jewish Libraries News and Reviews 1 2 2019

The Case of Rhyme versus Reason Robert McKinney, 2004-08-01 The poetry of the extremely prolific and versatile Abb sid poet Ibn al R m is examined in this book Part I The Poet reconstructs the poet s life and times providing the background for Part II The Poetry which traces the influences in Ibn al R m s distinctive poetic style and themes This provides a glimpse into a rather fluid period in Arabic literary history when the boundary between poetry and prose was becoming increasingly permeable due to the emergence of the so called secretary poets and to the prevalence and importance of the mun arah or disputation Part III The Poem analyzes the poet s celebrated 282 line poem commemorating the quashing of the Zanj rebellion The towering architectonics and sophisticated organization of this poem provide an ideal

opportunity to explore Ibn al R m s poetic contribution **Essays On Nima Yushij** Aḥmad Karīmī Ḥakkāk, Kamran Talattof, 2004 Situating Nima s life firmly within the context of 20th century Iranian history this book contributes to an emerging trend in literary scholarship on Persian literature that views Persian poetry as a living and constantly evolving tradition rather than an icon of some fading glory **Russian-Arab Worlds** Eileen M. Kane, Masha Kirasirova, Margaret Litvin, 2023 When the Cold War ended the long history of Russian and then Soviet engagement with Arab countries was largely forgotten so the dominant role of Vladimir Putin s Russia in the region appeared to come out of nowhere The thirty four expertly introduced primary sources in this book recover a complex history of Russian Arab ties and illuminate some of its most fascinating aspects Russian Orthodox missionaries in Palestine Arab communists traveling to the USSR and more surprising Arabic legal documents written by Russian Muslims Russian Jewish migrants to Palestine decades before Zionism and 1940s Armenians repatriated from Arab countries to the USSR **Islam, Nationalism, and 1000 Years of European Poetry** David Aberbach, 2025-08-29 Islam Nationalism and 1000 Years of European Poetry considers the long history of Islam and European poetry and its central importance in the development of European culture David Aberbach offers a panoramic history of European poetry as it was affected by the centuries long conflict between Islam and Christianity from the early medieval Old French chanson de geste The Song of Roland set against the Muslim invasion of France in the eighth century to Fishta s The Highland Lute the early twentieth century Albanian epic of the struggle for independence from Ottoman rule achieved in 1912 Aberbach surveys some of the outstanding poetry set against Islamic conquests and domination particularly in Spain and the Balkans The book includes detailed comparisons between medieval and modern Arabic and Hebrew poetry closely linked in technique and subject matter but moving apart after 1789 A result of constant religious warfare in Europe was disillusionment with religion increasing focus on humanistic concerns and the evolution of a secular State separate from religion This captivating history of Islam and European poetry will be of great interest to any scholars of nationalism Jewish and Islamic Studies history comparative literature and cultural studies **National Poetry, Empires and War** David Aberbach, 2016-09-13 Nationalism has given the world a genre of poetry bright with ideals of justice freedom and the brotherhood of man but also at times burning with humiliation and grievance hatred and lust for revenge driving human kind as the Austrian poet Grillparzer put it From humanity via nationality to bestiality National Poetry Empires and War considers national poetry and its glorification of war from ancient to modern times in a series of historical social and political perspectives Starting with the Hebrew Bible and Homer and moving through the Crusades and examples of subsequent empires this book has much on pre modern national poetry but focuses chiefly on post 1789 poetry which emerged from the weakening and collapse of empires as the idealistic liberalism of nationalism in the age of Byron Whitman D Annunzio Yeats Bialik and Kipling was replaced by darker purposes culminating in World War I and the rise of fascism Many national poets are the subject of countless critical and biographical studies but this book aims to give a panoramic view of national poetry as

a whole It will be of great interest to any scholars of nationalism Jewish Studies history comparative literature and general cultural studies

Brothers Apart Maha Nassar, 2017-09-05 Nassar brings to life the artistic prowess rallying cries and dashed dreams of the leading Palestinian litterateurs in Israel Shira Robinson author of *Citizen Strangers* When the state of Israel was established in 1948 not all Palestinians became refugees some stayed behind and were soon granted citizenship Those who remained however were relegated to second class status in this new country controlled by a military regime that restricted their movement and political expression For two decades Palestinian citizens of Israel were cut off from friends and relatives on the other side of the Green Line as well as from the broader Arab world Yet they were not passive in the face of this profound isolation Palestinian intellectuals party organizers and cultural producers in Israel turned to the written word Through writers like Mahmoud Darwish and Samih al Qasim poetry journalism fiction and nonfiction became sites of resistance and connection alike With this book Maha Nassar examines their well known poetry and uncovers prose works that have until now been largely overlooked The writings of Palestinians in Israel played a key role in fostering a shared national consciousness and would become a central means of alerting Arabs in the region to the conditions and to the defiance of these isolated Palestinians *Brothers Apart* is the first book to reveal how Palestinian intellectuals forged transnational connections through written texts and engaged with contemporaneous decolonization movements throughout the Arab world challenging both Israeli policies and their own cultural isolation Maha Nassar's readings not only deprovincialize the Palestinians of Israel but write them back into Palestinian Arab and global history

State-Society Relations in Ba'thist Iraq Achim Rohde, 2010-04-05 Scholarship on Iraq under the Ba'th regime has traditionally focused on the rule of Saddam Hussein and his narrow inner circle The centrality of the former president in Iraqi politics until spring 2003 and the tyranny of his regime were evident and available sources concerning developments inside Iraqi society during that period were scarce This book explores whether traditional paradigms of totalitarian rule can be applied to Ba'thist Iraq closely examining state society relations and uncovering the nature of the regime and how Iraqis lived with it The study creates a conceptual framework for understanding the inner dynamics of a dictatorship that encompasses a variety of disciplines comparative historiography political science literary and art criticism and gender studies Drawing on a comparative reading of the historiography of other regimes commonly perceived as totalitarian dictatorships particularly Nazi Germany the author looks beyond the spheres of state politics economy and jurisdiction to also include the so called soft issues of social norms cultural and ideological production By interpreting recent Iraqi history along such lines the author demonstrates how cross regional comparative perspectives and an interdisciplinary approach can contribute to the study of Iraq
