The Poetry Of The Old Testament:

The Poetry of the Old Testament Theodore Henry Robinson, 1962 POETRY OF THE OLD TESTAMENT THEODORE H. ROBINSON, 2018 **Formula Criticism and the Poetry of the Old Testament** William R. Watters, 2011-12-01 The series Beihefte zur Zeitschrift für die alttestamentliche Wissenschaft BZAW covers all areas of research into the Old Testament focusing on the Hebrew Bible its early and later forms in Ancient Judaism as well as its branching into many neighboring cultures of the Ancient Near East and the Greco Roman world **An Introduction to Wisdom and Poetry of the Old Testament** Donald K. Berry, 1999-01-01 Written for pastors with a relatively elementary knowledge of the Old Testament Includes accounts of how this portion of the Bible has been interpreted throughout history Easily incorporated into individual sermons **The Poetry of the Old Testament** Gertrude H. Rideout, First Parish in Concord (Concord, Mass.). Women's Parish Association, 1966 **A Survey of the Old Testament** Andrew E. Hill, John H. Walton, 2024-02-13 An indispensable guide for exploring the literary historical and theological issues behind the Old Testament now fully updated The purpose of studying the Old Testament is to understand God and his redemptive work more fully However this goal is complicated by the fact that it was transmitted through a very different language and culture from our own A Survey of the Old Testament addresses background information purpose message structure and major themes of the Old Testament to help readers understand its message and relevance Chapters introducing each major section of the Old Testament are included as are chapters dealing with issues of interpretation hermeneutics theology geography archaeology history formation of the Old Testament canon and the Old Testament's relationship to the New Testament The fourth edition features a renewed focus on purpose theology and message while also providing a more succinct textbook less intimidating to students Features included for each book of the Old Testament Writing of the Book Background Outline of the Book Purpose and Message Structure and Organization Major Themes Questions for Further Study and Discussion Further Reading Complete with updated full color maps photos timelines and charts the latest edition of this widely acclaimed textbook is a useful and readable tool for students and other readers who wish to better understand the Old Testament and God's redemptive work Poetry of the Old Testament (Classic Reprint) Theodore H. Robinson, 2015-07-07 Excerpt from Poetry of the Old Testament The following pages contain the substance of a course of lectures delivered in alternate years at Cardiff over a quarter of a century They are not a transcript of the lectures given in any one year For one thing no written copy exists For another a good deal had to be given to University students which is quite unnecessary for the general public especially in tracing the scientific study of Hebrew poetic form The book is then a summary of results reached in forty years study of the poetry found in the Old Testament Yet it is very far from being what I would have wished it to be and if I had any hope of improving it I would have postponed publication still further There is one section in particular where I feel the inadequacy of my work and that to many readers the most important of all The truth is that the study of the Psalter had been thrown into the melting pot by the

researches and theories of Gunkel and others and it may be many years before the adherents of the fresh view point settle down to a consistent and agreed position In the circumstances I have felt that the best course was merely to summarize roughly Gunkel s classification with some reference to the work done by a few others Any reader who wishes to go further into the matter may consult the books recommended in the Bibliography at the end of this volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Forms of Hebrew Poetry George B. Gray,2002-05-24 Gray refined the classifications offered up by Lowth in his Lectures on the Sacred Poetry of the Hebrews Gray developed ingenious readings of texts which had been previously been seen as corrupt and readable only with major emendations Gray deduced principles of Semitic poetry which allowed these texts to be sensibly read without emendation **An Introduction to the Old Testament** Tremper Longman III,2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of An Introduction to the Old Testament integrates recent developments in Old Testament scholarship It has many distinctive features that set it apart from other introductions to the Old Testament It s committed to a theologically evangelical perspective Emphasizes special introduction the study of individual books Interacts in an irenic spirit with the historical critical method Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship Deals with the meaning of each book not in isolation but in a canonical context Probes the meaning of each book in the setting of its culture Including callouts charts and graphs An Introduction to the Old Testament is written with an eye to understanding the nature of Old Testament historiography Perfect for seminary students professors and Bible teachers and ministry leaders as well as anyone looking for an in depth and balanced approach to Old Testament study **Biblical Poetry and the Art of Close Reading** J. Blake Couey,Elaine T James,2018-08-30 Explores the aesthetic dimensions of biblical poetry offering close readings of poems across the Hebrew Bible Old Testament
