Slovar Po Uголовnomu Pravu

Michael Hoelscher

Slovar Po Ugolovnomu Pravu:

Law and Legal System of the Russian Federation - Sixth Edition Peter B. Maggs, Olga Schwartz, William Burnham, 2015-01-01 This book is a detailed treatment of the Russian legal system written especially for English speaking law students and lawyers While it is designed primarily as a casebook extended discussions of the law numerous citations to original Russian sources and detailed suggestions for finding these sources on the Internet also make it useful as a reference for scholars specializing in Russian studies and for lawyers who know Russian but not Russian law The authors have decades of experience following the Russian legal system with one concentrating on human rights court procedure and criminal law and procedure the other on civil commercial and tax law Chapters cover key aspects of the Russian legal system including sources of law the judicial system the legal profession constitutional law individual rights civil and commercial law civil procedure private international law foreign investment law criminal procedure administrative law and tax law The book covers major changes in Russian law since the previous edition was published including more reliance on judicial precedent increasing the independence of criminal investigators from prosecutors dealing with abuse of the legal system by corrupt officials to steal businesses from their rightful owners and closing loopholes in the tax system The new edition also chronicles the continuing struggle of the European Court of Human Rights and activist Russian lawyers to push Russian law toward international standards

Encyclopedia of Soviet Law F. J. Ferdinand Joseph Maria Feldbrugge, Gerard Pieter Van den Berg, William Bradford Simons, 1985-04-26 The revised Encyclopedia follows the format of the 1973 edition It is a compilation of nearly 500 short factual articles on Soviet domestic and international law

Russian Legal Culture Before and After Communism Frances Nethercott, 2007-12-03 Following the emancipation of the serfs in 1861 and again during the 1990s individual legal rights occupied a central place in the drive to modernize criminal justice This book explores these debates focusing particularly on the work of Vladimir Solov'ev a leading philosopher of law writing in the 1890s

The 12 Apostles of Russian Law Pavel Krasheninnikov, 2019-02-12 Pavel Krasheninnikov born 1964 is a prominent Russian politician state official and professor of law He studied at Sverdlovsk School of Law and then did graduate work there He subsequently taught at the Ural State Law University In the 1990s he served as an expert on legislation for the Supreme Soviet and worked in senior posts in various state authorities including as head of Russia's Ministry of Justice under Boris Yeltsin He spent a decade as rector of the Russian School of Private Law in Moscow At present Krasheninnikov is a deputy in the State Duma and for 18 years he has led the Duma's legislative committee Krasheninnikov took part in the drawing up of a new Civil Code and other major legislation in modern Russia He has played an active role in drafting and introducing legal reforms He is responsible for over 150 publications in the field of private and public law as well as legal theory and history Krasheninnikov has authored a series of works in which he has traced the emergence and development of law as a key system for regulating interpersonal and social relations and as one of the sources of authority His book The 12 Apostles of

Law first saw publication in Russia in 2016 and is dedicated to the great legal minds who through their scholarship and legislative activity changed Russia's law government and society over two centuries. For over thirty years Krasheninnikov has studied the lives and work of the men depicted in this book and he was fortunate to personally work with four of them.

Russia, a Check List Preliminary to a Basic Bibliography of Materials in the Russian Language Library of Congress. Reference Department, 1945 The Keys to Happiness Laura Engelstein, 2018-08-06 The revolution of 1905 challenged not only the social and political structures of imperial Russia but the sexual order as well. Throughout the decade that followed in the salons of the artistic and intellectual avant garde on the pages of popular romances in the staid assemblies of physicians, psychiatrists and legal men the talk everywhere was of sex. This eagerly awaited book, echoing the title of a pre-World War I bestseller, *The Keys to Happiness*, marks the first serious attempt to understand the intense public interest in sexuality as a vital dimension of late tsarist political culture. Drawing on a strong foundation of historical sources from medical treatises and legal codes to anti-Semitic pamphlets, commercial fiction, newspaper advertisements and serious literature, Laura Engelstein shows how Western ideas and attitudes toward sex and gender were transformed in the Russian context as imported views on prostitution, venereal disease, homosexuality, masturbation, abortion and other themes took on distinctively Russian hues. Engelstein divides her study into two parts: the first focusing on the period from the Great Reforms to 1905 and on the two professional disciplines most central to the shaping of a modern sexual discourse in Russia, law and medicine. The second part describes the complicated sexual preoccupations that accompanied the mobilization leading up to 1905, the revolution itself and the aftermath of continued social agitation and intensified intellectual doubt. In chapters of astonishing richness, the author follows the sexual theme through the twists of professional and civic debate and in the surprising links between high and low culture up to the eve of the First World War. Throughout, Engelstein uses her findings to rethink the conventional wisdom about the political and cultural history of modern Russia. She maps out new approaches to the history of sexuality and shows brilliantly how the study of attitudes toward sex and gender can help us to grasp the most fundamental political issues in any society.

Russia, a Check List Preliminary to a Basic Bibliography of Materials in the Russian Language Library of Congress. Reference Dept, 1946 Writing Witch-Hunt Histories Marko Nenonen, Raisa Maria Toivo, 2013-10-02 This book gives an analytical review of the history of witch hunt historiography. So far, not much attention has been paid to how the European witch hunts have been studied and explained in some 150 years of academic research on the issue. The history of the approaches and explanations in witch hunt research fundamentally contributes not only to our understanding of the bizarre phenomenon in European history but also contributes to understanding of cultural as well as academic trends which heavily direct any research even when scholars are not cognisant of their underlying premises. How and why the picture of witch hunts has been changing in scholarly works and text books is as illuminating an issue as the proper explanations offered by the research works. Contributors include Rune Blix Hagen, Ronald Hutton, Gunnar W.

Knutsen Marianna G Muravyeva Marko Nenonen Raisa Maria Toivo Charles Zika *Russia, a Check List Preliminary to a
