

The background of the entire page is a stylized sunburst. It features a central point from which numerous rays of light emanate, creating a fan-like pattern. The colors transition from a bright, vibrant yellow at the top to a deeper, golden-yellow towards the bottom, where the text is located. The rays are of varying lengths and thicknesses, giving it a dynamic, energetic feel.

The Original Rider Waite Tarot Pack Pamela C. Smith, Arthur Edward Waite, 1993-12 Facsimile edition of the Rider Waite Tarot deck originally printed from plates that were destroyed during the bombing of London during World War II The deck and book set comes with the Rider Waite Tarot deck by Pamela Colman Smith with original Tudor Rose back design Celtic Cross divinatory chart and *The Key to the Tarot* by Arthur Edward Waite Amazon

The Rider-Waite Tarot Coloring Book Monique Littlejohn, 2015-08-02 The Rider Waite tarot deck was originally published in 1910 It is the most popular tarot deck in the United States When people are introduced to a tarot reading class this is normally the deck that the teacher refers to due to its clear symbolism and use of colors The cards were illustrated by Pamela Colman Smith with the design originally developed by mystic A E Waite While the original deck is now in the public domain and free to copy this revised format is copyrighted I ve developed this coloring book with the adult in mind It is printed on high quality paper in a 6x9 format so that you can easily tuck it into your purse or satchel and pull it out while commuting on bus or train This is less obtrusive than children s full sized coloring books It is printed on one side only so that if you use magic markers you are far less likely to have the colors deface your other pages I ve omitted page numbers so that your finished art is suitable for framing or use in your crafts I still recommend that you place a piece of paper underneath your drawing so that it can absorb any excess ink You are free to copy the pages for personal use but if you are interested in using these images for teaching a class please contact me for additional licensing I am happy to consider private labeling and printing these books for you
